Surveyer nor myself undertook to speak for any one but ourselves. So far as I am concerned, I propose to attach to the petition a statement, that my signature is an evidence of my individual opinion and desire, and, as I said in my former letter, is in no way an expression of desire or opinion emanating from the Faculty.

I will, as I said in my former letter, take an early opportunity on my return from Quebec to see you personally.

With kind regards,

Yours sincerely,

A handwritten signature in cursive script, which appears to read "R. P. F. Shields", is written over the typed words "Yours sincerely,". The signature is written in dark ink and has a long, sweeping underline.
