Social Reform.

The social habit of treating has become almost universal in this city until many have been compelled to forego other pleasures on account of the expensive habit formed this way. To remedy this and to render possible the sweetest comfort known to man, M. Pedler has provided a large stock of fragrant Cigars, which he is selling 4 for 25 cts. The best brands of imported Cigars to select from. Stop and try them.

Respectfully, M. PEDLER.
