

Jaunty, Up-to-the-Minute Looking Togs

For Boys, College Youths and Young Men

"YOUTH WILL BE SERVED," says the proverb, and it was never so true as it is today in the clothing business. Fellows don't want the same sort of thing their "governor" wears. Even the little chaps have an idea of what they should have, according to what the other boys admire, and find comfortable.

We prefer to come in on the crest of new ideas, instead of installing them when it can't be put off longer. So today we're "RIGHT THERE WITH THE GOODS" in these youthful SPECIALTIES. We have a complete, clean-cut, separate JUNIOR CLOTHING DEPARTMENT. In it are styles which will mark the wearer as correctly dressed, and each age is provided for with strict regard to the difference. Mothers of boys should shop for them here.

Reefers, Fancy Mackinaws, Sporting-looking Coats, Eton Suits in very complete range, Dressing Gowns and Bathrobes for college boys are among our specialties. Over sizes for stout or extra large boys are featured also.

Only a Memory

What a tone of finality it has; yet how different from the single word "forgotten."

Perhaps it is the memory of a face, of a journey, or of a deed that helps to brighten up the dull places of your life; it's always something good and beautiful.

Some such thought comes to you in looking at the wonderful picture of Makoffsky's. The impression is so deep, the pleasure so true and unquestioning that you cannot but feel that the memory will remain with you as a permanent possession to be enjoyed.

You can see "The Wedding Feast" during the coming week only. It must be returned to New York next Saturday.
