### **BEST PICKED TEAM** TO TACKLE TIGERS

Longest Rugby Season Closes Next Saturday at Varsity Stadium-Football Notes.

One of the longest Rugby seasons closes next Saturday at the stadium, when Hamilton Tigers will have their hardest game of the year, against Billy Hewitt's picked team, for the benefit of Billy Slee. The best of the locals are willing to turn out, and they are all in fair condition. There will be abundance to choose from, with McKenzic, Gall and DeGruchy as the three best men to start at half-back.

Sporting Editor World: As I was glancing thru your paper, I noticed that the Tigers would play their final match next Saturday with a picked Toronto team, and thought I might send in a suggestion of a team which I think would give the famous Hamilton aggregation a tough argument. Here is the team: Backs, Lawson, DeGruchy, McKenzie; quarter, Symons; Tlying wing, Gage; outside, Clarkson and Murphy; middle, Muir and Cassels; insides, Smith and Foster; scrimmage, Jarvis, Dudley and Schwalm.—D, B. Thompson.

Hamilton Spectator: The Parkdale officers were greatly disappointed with the crowd. They expected the Hamilton fans to fall for some of the Toronto newspaper guff and turn out, thinking that the Parkdales would give the Tigers an argument. The Hamilton fans have the O.R.F.U. sized up pretty well, for they knew that the Alerts were the only real team that union has had for a long time.

They're going to select an all-Toronto team to meet the Tigers in Billy Slee's benefit game next week. Let us hope that the team selected will be the strongest that could possibly be secured. We would like to see the Tigers up against the best in the country.

Hamilton Herald: Battered and bruised, but game to the core, the East Hamilton Y.M.C.A. intermediate football fourteen returned from Ottawa yesterday morning. Every man was subjected to the worst grueling that any bunch of ball players were ever given, not a single red and gray man being overlooked. The final score was 16 to 4 in favor of the Y.M. C. A., and only the brutal treatment and unfair tactics resorted to by the Ottawa, crowd kept the score as small as it was, as the red, white and black squad was completely outclassed in every department.

It was the first Hamilton team to ever score a win in the Capital City. The beating the hove received in that memo.

rather than the Capital City. The score a win in the Capital City. The beating the boys received in that memorable game at Petrolea some years ago was simply a practice for what they stood up under in the capital, and every man trotted out on the field in the last thair expecting to get beaten up, and at the same time knowing they couldn't retailate, because if any of them were put on the sidelines it might mean the champic naship.

team, and they certainly deserve the honors. They have everything.

Referee Dr. Wright—I never saw a better team than the Tigers possess. They are lightning fast, and the big men are always up the field first. They have no weak spots that I could see.

Coach Marriott. Tigers—And then they ask. Could we beat McGill? We wouldn't only beat them; we'd smother them.

FACTS ABOUT THE HORSE TRADE

Maher's Horse Excharge reports a good clearance for the first day of December. Few horses were sold at auction, but these, in addition to those sold by private sale, aggregate a total of forty head. Prices remain low in all classes. A feature in Saturday's sales was the sale of the registered Clydesdale stallion. Pitcraigle Standard (imp.) (12509) (1624), to Mr. Robert Boyes of Churchil, Ont.
