

Keep the Carbonated Waters In Your Home.

The White Sulphur or Seltzer, pure or mixed with wine, milk, etc., is an incomparable beverage and particularly valuable for its action on the bladder, kidneys and blood.

The Saline likewise as a beverage, or, taken in the morning acts as a mild laxative, alterative and tonic, stimulates the liver and stomach and used in conjunction with the Seltzer beneficial in rheumatic troubles.

The Gas Water is especially useful in derangements of the stomach.

The Duncan is a certain aperient, and the strongest Saline Water known that it is advisable to drink pure; a positive remedy for constipation and a substitute for the much used, so called "liver" pills.

The waters are all more or less diuretic.
