

HAMILTON HAPPENINGS

LIBERALS MAY DEFAULT TWO HAMILTON SEATS

Dr. Russell Likely To Follow Example of F. W. Brennan—Rev. Dr. Moore's Revelations.

HAMILTON, Nov. 19.—(Special.)—The surprise announcement made by F. W. Brennan on Saturday, that he would not contest East Hamilton in the Provincial Legislature for the Liberals, has left the executive committee of the local Liberal organization in a state of perplexity, and it is now probable that the party will not have a candidate in the riding. A meeting of the executive will be held tomorrow night, however, to discuss the situation, and it will then be settled whether or not the Liberals will try to get up the sponge in the east.

There is some talk of trying to induce W. L. Mackenzie King to take a swing at the seat, and if he can be persuaded to make the race the Liberals think they have a chance to win out.

Dr. Russell also, who was offered the Liberal nomination in the west, will not give his decision to the executive until tomorrow. It is an open secret that he will decline to make the fight. The Independent Labor party will have another meeting tomorrow night, at which a candidate for West Hamilton will most likely be named, and it is expected that the contest between the Conservatives and Liberals.

According to the statements made in his sermon in Zion, Tabernacle here tonight, Rev. T. Albert Moore, secretary of the Temperance and Moral Reform department of the Methodist Church in Canada, has undertaken to visit the Hamilton police department.

Rev. Mr. Moore referred to the sale of obscene literature, and in an impressive manner drew from his pocket and displayed to the audience, two packets, which he said contained vile postcards, which he had bought in this city last night, and which he intended to bring to the notice of the chief of police tomorrow. He will demand that the sale of such pictures be suppressed, and it is likely that the dealer from whom the cards were purchased will be prosecuted. The cards, he said, were bought without any trouble in a King-street store, and he declined to allow the reporters to see them.

Against "Small Beers." Rev. Mr. Moore strongly protests against the recommendation made at the conference last week between Hon. Col. Sam Hughes, minister of militia, and other military officers, that the sale of small beers in the militia canteens be permitted. He does not believe it right for the small beer to be sold in the militia canteens. He wants our soldiers to be sober and to have clean characters, and he hopes that everyone of you here to-day will do your best to minister of militia and protest against the sale of liquor to our young men who do military duty, he declared to the speaker.

Rev. Mr. Moore said he could see no difference in gambling "gambling hell" such as he told of seeing on the Pacific Coast, and the "gambling hell" of this city. "In principle one is as bad as the other," he said.

The speaker referred in a dramatic manner to the white slave traffic in Canada, and said since he had assumed his present office, less than a year ago, he had received nearly a hundred letters from Canadian mothers asking his assistance in locating their daughters, who had been lured away from home.

Rev. Mr. Moore addressed the congregation in the work of his department. DISPUTE LEADS TO STABBING

After Quarrel Over Wages, John White Goes to Hospital.

A little grievance over wages was the cause of a stabbing affair on Frederick-street Saturday afternoon.

John White, 4 Danvers-avenue, who worked in Thomas Tomlinson's foundry, in Frederick-street, had been drinking somewhat when he received his wages about 5:30 and after talking with his employer for a few minutes was found lying on the floor with several small gashes on his face and a more severe one on the neck. He was taken to St. Michael's Hospital.

Later in the evening Tomlinson was arrested on Yonge-street wharf by Detective Young, charged with wounding. Bail was refused.

COMMISSION ON FARMERS' BANK

OTTAWA, Nov. 19.—(Special.)—It is believed by Conservative members that the government will appoint a royal commission to investigate the circumstances attending the establishment and failure of the Farmers' Bank. This is in accord with the position taken by members of the government when in opposition last session.

Until the commission has investigated and made its report it is unlikely that the government will come to a definite decision as to what relief, if any, is to be given to the farmers' sufferers.
