

It's your innings. We're selling hats now for just about half and doing all we can to clean out the balance of summer stocks quickly.

—Straw Hats at \$1.00, formerly \$2 to \$4.

—Outing Caps at 50c, all reduced.

—Brown Derbys at \$1.00, formerly \$3.

Already we're opening out new styles for fall. Can't afford to carry a single hat over. Grand clean-up this week of everything at all summer.

ATTEMPTED BABE MURDER

Newton Stonehouse and His Wife Under Arrest.

St. Thomas, Aug. 2.—Newton Stonehouse, aged 40, is in jail, and his wife, Cora Stonehouse, aged 27, is under arrest in the hospital, charged with attempting to take the life of their new-born child.

The child was found in an outhouse behind the Stonehouse home this morning, the husband himself giving the alarm after hearing the cries of the little one.

It was rescued by a policeman and placed under care of a doctor and nurse and is not expected to live.

Investigation by the police and doctors revealed the fact that the child had been born during the night, although the couple protested ignorance. The arrests followed, the woman being in such a condition that she was sent to the hospital. Stonehouse has been remanded till Aug. 9.

SCARCITY OF LABOR

Menace to Prosperity of Agricultural Ontario.

Galt, Aug. 2.—(Special.)—Andrew Elliott of the staff of the agricultural department, who has been officially traveling in Rainy River and Temiskaming, returned to find his 300 acre farm manned by his son and one hired hand. He says the scarcity of farm laborers is a menace to Ontario's agricultural prosperity.

POISONED BY POWDERS

Little Girl Dies Thru Error of Doctor or Drug Clerk.

Montreal, Aug. 2.—A little girl named Ellen O'Brien, whose parents reside at 1480 St. Hubert-street, was poisoned here to-day either thru error of a doctor or drug clerk.

The child died in great agony shortly after taking powders. Her body is now at the morgue. The powders are in possession of a medical examiner. An inquest will be opened to-morrow morning.

Peel Old Boys' Officers.

The annual meeting of the Peel Old Boys' Association was held last evening in St. George's Hall, with President J. W. L. Forster presiding, when the following officers were elected: President, E. J. Hearn; first vice-president, A. B. Nichols; second vice-president, S. D. Mitchell; third vice-president, W. E. Sharp; secretary, treasurer, F. H. Nichols; executive committee, Harry Dawson, C. H. Porter, J. McLaughlin, J. H. McGhie, J. S. Boddy, J. W. L. Forster, Dr. W. C. Haggie and James Brant. It was unanimously decided to hold the regular annual excursion to Brantford on Sept. 21, and judging from the enthusiasm displayed by all present a great time may be looked for. All Peel old boys should remember this date.

YORK COUNTY AND SUBURBS NORTH TORONTO ACCIDENTS NEW CHIEF IS SWORN IN

Teachers Chosen for Davisville and Eglington Schools—Criticism of Account by Works Committee.

North Toronto, Aug. 2.—Wm. Smith, a well-known market gardener of the 2nd concession of East York, while coming home from the city tried to shut his gate while on the wagon and was jammed between the gatepost and the wagon, receiving severe injuries. The left arm was torn out of the shoulder and the bone of the upper arm nearly snapped in two. Dr. Doherty advised that the bone be broken and reset, but Mr. Smith is taking time to ascertain the advisability of such an operation.

The Consumers' Gas Co. has a gang of men employed laying a gas main on Yonge-street. Yesterday morning Jas. Smith, a laborer, was accidentally struck with the pick by a fellow-employee, the point of the pick piercing clean thru the palm of the right hand, severing a main artery. Dr. Doherty dressed the wound, which necessitated six stitches. Smith will have to lay off for a few weeks.

George Dawson, another man of the gang, was overcome by the heat and a weak heart and fainted. He was conveyed home in the street car.

Mr. and Mrs. David Train are visiting their grandson, Arthur Frisby, of Eglington.

Rev. T. W. Powell, M.A., rector of St. Clement's Church, and family are holidaying at Wilcock's Lake.

Alexander Quinton, dealer in milk and ice-cream, is nursing a sore finger, which was smashed by a lump of ice yesterday morning.

The newly appointed chief constable, R. C. Morris, until the end of last month a member of the city police force, has assumed office as chief constable of North Toronto, being sworn in yesterday afternoon by Police Magistrate Ellis.

Besides his office as policeman he will be truant officer, health inspector and a number of other duties are falling on his shoulders. Mr. Morris moved to Erskine-avenue yesterday.

The most important meeting of the public school board for the year was held last night. The trustees present were: Howe, Logie, Murphy, Brown and Spittal. The board had to wade thru 80 applications to select four suitable teachers to fill the vacancies of the town's schools. To facilitate the matter the trustees had personal interviews with some of the applicants, nine in number, and these applicants only were considered. The board decided upon the following teachers for the Eglington School: Miss Job of Galt, for senior third and junior fourth classes, and Miss Webster of Aurora for the second book and junior third class.

For the Davisville School, Miss Lonsborough and Miss Merril of Toronto were appointed.

Trustee Logie was empowered to order seats for the new schoolrooms according to specifications, also to order the teachers' desks and chairs. The school management committee was empowered to procure all the necessary utensils for the additional rooms, but the members were cautioned to be economical, as the appropriation for the year has been nearly exhausted.

Councillor Pears presided at a meeting of the works committee of the council last night. A bill for a supply of halls was objected to by the chairman owing to the price. Councillor Pears said he was unwilling to pay \$3 to a town stockkeeper while the same goods could be purchased elsewhere at \$2.25. The bill was passed, but the commissioner was instructed to make better bargains for the future.

Councillor Lawrence recited a scene he had witnessed on Sunday night last, in which the town foreman was mixed up. He thought the episode discredited the man for the position he held, and was supported in his views by Councillor Pears. The mayor inclined to extend consideration to the man, but the matter was referred to the council to deal with. W. Parke asked the committee that the work on the new brick sidewalk at Glenroche-avenue be expedited, and he was assured that no time would be lost if at all possible. The estimates as arranged at a previous meeting, viz. \$2400, were confirmed, although the treasurer stated that unless some of the projected expenditures were cut out the rate for the year would be very much increased. Councillor Lawrence objected to coal being received at the water-works without being weighed and said that a motion picture effect had been passed early in the year. According to the report of the engineer over three million gallons of water were pumped during the month of July at a cost of about 4 1/2c per thousand gallons.

Mimico.

Mr. and Mrs. Albert O'Brien entertained a large party of young people last evening in honor of their sons, Erskine and Fred, at their pretty home, "Bethel," on the Lake Shore-road.

The residents of the Lake Shore-road are circulating a petition for the building of a four foot concrete sidewalk, to be paid for by frontage tax.

A good program of games and races and aquatic sports will be given on civic holiday at Mimico Beach by the cottagers and residents of the beach. Prizes will be given and a good time is anticipated.

Dr. Galloway has purchased the lot adjoining Mr. Hunter's and we understand will erect a fine house thereon.

Toronto Junction.

Toronto Junction, Aug. 2.—The executive committee of the town council met to-night. Chairman Armstrong presiding. All members were present except Councillor Ford. It was recommended that the police and sanitary inspector be instructed to report all cases where householders illegally use hose on their lawns. A number of sidewalkers were recommended as soon as the property owners pay their share of the costs. The electric light superintendent will be instructed to move three electric light poles to the outside of the boulevard on Pacific-avenue.

The medical health officer reported the result of the analysis of the water from the artesian wells in Whitchurch. The water is perfectly pure, and is water now used by the town is not free from germs and is not fit for drinking purposes. He also reported the unsatisfactory condition of some houses and lanes, and advised that steps should be taken to compel all property owners to connect with the sewers where possible. A number of appeals against the income assess-

ment were received, but it was decided that the committee could not do anything in the matter.

The death occurred this afternoon of Mrs. Harkness at the home of her parents, Mr. and Mrs. John Perrie, 185 Pacific-avenue. Her husband is living at present in Zion City, and is expected to arrive here in the morning. No arrangement will be made for the funeral until his arrival.

Laura Mary, the 10 months old daughter of Mr. Robert Lester of Westminster-avenue died this morning. The funeral will take place to-

Prospect Cemetery on Saturday afternoon at 2 o'clock.

Worcester Lodge, S.O.E., held their regular meeting in Campbell Hall to-night. There were three initiations, and the feature of the evening was the presentation to Bro. W. F. Norris of a handsome chair and an address. Bro. Norris has been the means of bringing over 40 members into the society.

Highland Creek.

There will be a game of football played at West Hill on Saturday
