LORETTO ABBE

Now Being Enlarged at a Cost A Visit to the Interest

Institution. Loretto Abbey, famous as an centre all the country over, whit behind in the progress ev brick and mortar. The abb caught the eye, but when the in block of buildings is completed

tainly be one of the finest piles in Canada.

The additions of marcon-color five storeys high, are on the eas sides of the main building, and when finished some \$75,000.

A tafi, calm-faced sister, who been a gifted leader of society not renounced life's vanities, World reporter through the pile last evening.

To gain a better idea of the m tions, a glimpse of the old waby way of contrast, and then led the way into the basement, a lofty room 90x45 feet, all don wood and in every way fit for a banqueting hall. It is the dining both nuns and pupils, but when ing fronting Wellington-place, I wide, is ready, religion and gale divided and the pupils are to latter. On the ground floor to pointed with pardonable pride to some class rooms, equipped in prized by the educationist. Here a guest chamber, flited up in a manner, in keeping with the truidea of hospitality.

The hall of this floor runs to music house." Its door was just through the proceeded the delied of music that have made the alous. One was loth to leave the the good Sister was already hal to the next storey. At the hes stairs she threw open the cased rew attention to the fine gard On its shady lawns romped a be lighthearfed young ladies of the now 250 in number. The Sister that all were dressed in black gion's sake, and that the pupi which adorned the breasts of secorded for good conduct. I dress, with its white collar and off the girlish beauty to perfect a doubt the good Sister thought necessary religious toning to peals of laughter which were the open window. On this flevooms abounded. One of them with students preparing for their

work.
