TWENTIETH ANNUAL REPORT

OF THE

ENTOMOLOGICAL SOCIETY

OF

ONTARIO.

To the Honorable the Minister of Agriculture :

SIR,—I have the honor to submit for your approval the twentieth annual report of the Entomological Society of Ontario, in accordance with the provisions of our Act of Incorporation.

The annual meeting of the Society was held in the city of Toronto on the 3rd of September, 1889, when the officers for the ensuing year were elected and the necessary business of the Society was transacted. A report of the proceedings, together with the audited statement of finances, is herewith submitted.

The President's address and the papers on Economic and General Entomology included in the report, will be found, it is believed, of much interest and value by all who are intelligently engaged in farming or horticulture.

The Society's monthly magazine, *The Canadian Entomologist*, has been regularly issued during the past year, and has just completed its twenty-first volume. It continues to maintain its high reputation as a valuable scientific publication and to attract the contributions of the most eminent Entomologists of North America.

I have the honor to be, Sir,

Your obedient servant,

W. E. SAUNDERS,

Secretary-Treasurer,
