LOVE TAPS

Must be lots of spare cash around Windsor and Detroit these days, according to reports received as to the bets being placed on the naps at Devonshire race track.

All the teams are taking a fling in what these days, this betting on the ponies.

Here's the way one Detroit paper describes the raid on the betting parlorials Monday.

To see the talent shovelling its coin into the machines the natural presumption would be that the mints were working overtime and access to them was being made.

But in fact, on Ponchartraine alone to level France's war debt and was spilled on the several candidates varied opinions selected.

Pesky, Adala, Old Brown, Etruscan and Skiles Knob each came in for a lot of attention, while the faint hearted, perceiving so much money spilled on the machines, distributed plentifully between Tajan and Filigree.

Even while the field was parading to the ring the wild mints were their money at the ticket sellers until it seemed that they would strain their vocal chords repeating the figures.

There wasn't half as much to the race as there was to the rush to get bets down.

Five thousand people crowded round the track to watch the naps set. Wonder how many would have attended had there been a recruiting meeting scheduled?

Zack Wheat, the Brooklyn left fielder, took a flier yesterday, getting four swipes out of four trips to the plate. He also pulled a most stunt by coming in from left field and completing a double play by covering second base on a throw from right field.

Larry Doyle's work is sure helping to keep the Cubs in the limelight. Larry got two nice hits yesterday. Fred Merkle got a three-bagger.

Oskee Neale, who has been letting third base in Cincinnati, is, has been chased down to sixth place. Routh, who has been doing phenomenal work with the stick, taking his place. Each got a hit out of four chances yesterday.

Glad Graney, the St. Thomas boy, started for Cleveland Monday. His fine fielding robbed the champion Sox of three runs, a throw to the plate getting Glad a well-deserved hand.

All Detroit sports were not at the Windsor races yesterday. About 4,000 of them flocked into Xenon field to see the Bengals wallop the Senators in a 14-innings spasm.

The fine weather may gladden the farmers' hearts, but it is also spreading gladness through the bowling community, which has increased by leaps and bounds in London the last few years.

Pittsburg, Pa., May 14.—Tommy Barone of Pittsburg won on points over Johnny Ertle of St. Paul, claimant of the bantamweight championship, in a 6-round bout here tonight. Barone had the advantage in four rounds and two were even.

Word was sent out this morning by A. W. Fraser, chairman of the rowing committee, that the club was in shape for a game and it is expected that the boys will be out in force this evening.

M. MAHON AND DILLON DRAW

Dayton, Ohio, May 14.—Tom McMahon and Jack Dillon fought 15 rounds to a draw here tonight. Dillon contented himself through out with defensive fighting. McMahon never once opened or McMahon during the last three rounds permitted the latter to push him around the ring with his boxing car, however, to ward off his blows.

GLASSCO'S REX GAITY SURPRISES BAIL BIRDS AT WOODBINE TRACK

TORONTO, May 14.—The Seagrams' King's Plate candidates occupied the spotlight at the Woodbine this morning. The weather here today was not so good as it had been in previous days, but it could hardly have been improved upon and some very useful work was done.

Calley went somewhat faster than expected the first quarter in 1:17.5, the half in 1:45.2, and galloped out to the 14 miles in 1:50.2.

Gold Chlorine and Tea Cup were only sent three-quarters in 1:20.4.5. Stately showed a nice performance, a mile in 1:40, and rounded the mile in 2:10 in company with Galt Water. The work of Sturdee was much the best of the day.

Galt Day and Smithfield, two other members of the Seagrams' string, put in a good mile in 1:18.3.5. Philistine went six furlongs in 1:23. The 2-year-olds Evelyn, Seaford and Twelve Bells, put in a half in 31, with the latter showing the way.

Graphic's Fast Work.

The fastest 18 furlongs of the season was that of the Thornecliffe stable's Philistine, who stepped this route in 1:15.3.5, the first quarter in 23.5.5, and the half in 48.3.5. Impress breezed three-eighths in 1:17.5.5. The 2-year-olds Loxon and Joffre breezed three-eighths in 37.2.5.

Ed Glasco's pater, Rex Gaity, a recent arrival from Windsor, surprised the rail-birds somewhat when he went

WAS ANAEMIC FOR OVER A YEAR

Anemia, or blood turning to water, is caused by the heart becoming deranged, and if the heart becomes weakened it cannot pump the blood as it should. As a result the blood becomes impoverished, and it loses its nourishing qualities. The face becomes pale and thin, and the lips bloodless. There is a weakness, tiredness and loss of weight.

When those suffering from thin or watery blood start taking Milburn's Heart and Nerve Pills they can see a change from the outset.

Every dose introduces into the blood those vital elements necessary to make it rich and red. The pale cheeks take on the rosy hue of health, the weight increases, and the whole being thrills with a new life.

Mrs. R. J. Grey, Fredericton, N. B., writes: "When I was a girl working at a general house work I overtaxed my strength and became completely run down. For over a year I was very bad with anemia. A friend told me to try Milburn's Heart and Nerve Pills so I got a box and when it was done I felt and looked so much better I decided to get six more. When I had taken them I had gained not only in strength, but in flesh and color, and best of all was good health."

Milburn's Heart and Nerve Pills are 60c a box, three boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Fifteen Minutes' Tardiness To Cost Players Game.

COMMENCES ON JULY 23

A. A. Langford and W. J. Ashplant Will Again Buy Prizes for the Big Tournament.

The tournament committee of the W. O. B. A. met at the Tecumseh House yesterday afternoon and drafted several rules that should make distory bowlers make special efforts to reach the greens on time.

Players who are not on the green within fifteen minutes of the time scheduled for action will forfeit the match unless the secretary is notified that the players are on their way.

In case of rain play will be resumed where it was interrupted.

The prize of four pair of bowling shoes, donated by Studley Ashplant, will go to the rink that stands ninth.

A. A. Langford and W. J. Ashplant made such a success of buying last year's prizes that they were reappointed again this year.

Those present at the meeting were: E. W. R. Hill, convenor; Aylmer; J. S. McDougall, Edmund Weld (who acted as chairman); A. A. Langford; E. Silcox, A. Throver, Wm. Turnbull and Secretary John Macpherson of the W. O. B. A.

Give Your Wife One

THOUSANDS of wives and daughters run their own Ford cars. They use them for shopping, calling, attending the theatre, taking the children for a run in the country or to school.

The Ford is as easy to operate as a kitchen range, no knowledge of mechanical details being necessary. Inexpensive to operate. A woman can call around town all afternoon, or take a 25-mile spin in the country, at the minimum of cost for gasoline, oil, wear on tires, etc.

You couldn't give "her" a present she would appreciate more than this beautiful, modern car, with its stream-line effect, tapered hood and crown fenders.
