VOTING ON THREE BYLAWS ONE CARRIES, TWO DON'T

Second Ward Majority Ensured the Passing of the Street Railway Agreement.

HAMILTON, Sept. 16.—(Special.)—The vote by wards on the street railway by-law today was as follows:
Ward For Against
First 166 166
Second 297 140
Third 282 323
Fourth 255 259
Fifth 176 176
Sixth 255 277
Seventh 393 527
Total 1929 1909
Majority 30.

It will be seen that it has a majority in wards 1, 2 and 3, and was defeated in wards 4, 5, 6 and 7. The 177 majority given in ward 3 was what carried it.

Two other bylaws submitted at the same time were defeated. One was to issue \$300,000 for good roads, to be laid in connection with the new railway system. It was defeated by 265. The vote by wards on it was:

Table with 3 columns: Ward, For, Against. Data for wards 1-7 and total.

Majority, 265 against. The bylaw to raise \$20,000 for hospital for advanced cases of consumption was also defeated by a majority of 229. The effect of this will be that the city will not be allowed to build such an institution for the city, but will be allowed to complete the building already under way on the hospital grounds. The bylaw was submitted because there was some objection because Mr. Southam selected the city hospital grounds as a site for the building.

"Indians" to be Prosecuted. An interesting and unusual case will be heard at police court Thursday morning, under the amendments made recently by the government to the License Act. The principle in it is that John Warren, 135 East Strachan-street, and Richard Tobin, 118 North Bay-street, who were arrested to-night on the charge of selling liquor to Indians, are to be prosecuted by the inspector. Pressure will likely be brought to bear upon them to divulge the source of their supply and the curfew will also be prosecuted.

Canon Curran Dead. Word was received today of the death at Colwich rectory, Nottingham, Eng., of Rev. Canon Curran, formerly rector of St. Thomas Church. As an outcome of the suit for \$30,000 started by John E. Webb against the St. Mary's and Western Ontario Railway, Mr. Webb's brother has started another suit against the company, William Cox and H. L. Rice, for unpaid damages for alleged wrongful distraint in connection with a farm John E. Webb had rented.

The publication of the names of a number of Hamilton business men as creditors of Meadows, Williams & Co., the stock brokerage concern which failed, has caused quite a stir. It is sustained a broken wrist and other severe injuries. One ear was almost torn off.

Now open for visitors. Complete new building, home comfort, very central. Excellent cuisine. Terms \$1.50. Geo. Midwinter, Phone 3462.

Denison, K. C., acted for prosecution; D. Burke Simpson, K.C., for defence.

THE DEAD ARE WISE.

I do not believe that the dead depart. They are with us, closer and nearer than they ever were before, says William T. Stead. The first cry that the average man makes in the presence of alleged supernatural phenomena is that of fraud, and on the whole he is abundantly justified. The history of mediumship is one long, disheartening record of fraud and exposure. That nearly all alleged spiritualistic phenomena are fraudulent there isn't the slightest doubt. That every "medium" who advertises "advice" for sale is an arrant rascal, may be taken as a foregone conclusion. That some of the most noted mediums, after months and sometimes years of scientific co-operation, have turned out to be impostors, is true.

JAPAN HARD UP.

Merchants Refusing to Take Goods They Ordered.
VANCOUVER, Sept. 16.—(Special.)—A. J. Souza, who arrived to-day from Japan, said financial conditions there were bad and becoming worse instead of better, owing to the refusal of the Japanese to fill their contracts. Many Japanese firms, owing to depression, are refusing to take delivery of goods. The postponement of the exposition is also having a bad effect on the market.
