

the numerous Lectures delivered in the Hospital by the various members of the Hospital Staff, are open to every student who has taken out his Hospital and Clinical Lecture tickets. Toronto being the great railway and manufacturing centre of Ontario, accidents requiring operation are of frequent occurrence. The attendance of out-door patients daily, is also very large and increasing, and thus abundant opportunities are enjoyed by students for acquiring a familiar knowledge of Practical Medicine and Surgery, including not merely major operations, but minor Surgery of every kind—ordinary Medical Practice, the treatment of Venereal Diseases, and, the Diseases of Women and Children. A large building has been erected in the Hospital grounds, as a Fever Hospital, where the treatment of all fevers can be practically and profitably seen and studied. A building for the Eye and Ear Hospital is now in use on the same grounds, which gives unprecedented advantages to students desirous of making a special study of the diseases of these important organs.

#### CLINICAL TEACHING.

This being of the utmost importance, no pains will be spared in imparting daily instruction in the spacious wards and theatre of the General Hospital, and every opportunity will be given students of seeing for themselves, with the members of the Hospital Staff, all interesting cases—Medical and Surgical.

THE BURNSIDE LYING-IN HOSPITAL.

This Lying-in Hospital has recently had its staff largely increased, and will afford special and valuable facilities for the study of practical
