Painless

## "How Shall I Know I Have Kidney Trouble?"

Do just as every doctor does when he suspects that a patient has Kidney Trouble — EXAMINE YOUR URINE.

In the morning, see if the urine is highly colored—either reddish or deep orange. (Natural urine is a light straw color). Notice if the odor is strong or foul. If highly colored or offensive in odor, your Kidneys are certainly in need of itention—and AT ONCE.

Get a box of GIN PILLS now, and take them regularly.

GIN

ADNESS

If you have a Pain In The Back—if the hands and feet swell —if you suffer with Rheumatism, Sciatica or Lumbago—if you have deposits of reddish matter like brick dust or mucus in the urine in the morning, you may be sure that your Kidneys are not as strong as they should be, and need the help of GIN PILLS to be well.

Crookston, Ont., Dec. 8th. "A few years ago, I was a grant sufferer from Rheumatism. I had fre-quently read that Gin Pills were effective in cases like mine. I got a box and after taking them for a short time, the twinges became less frequent until they finally disappeared. Rheumatism is a terrible affliction and it is a blessing to know of a remedy like Gin Pills that will drive it out of the system and relieve the suffarings". JOSEPH STEVENSON.

Don't put off this treatment. If your Kidneys show any of the signs given above, you need Gin Pills. To delay taking them is only inviting Bright's Disease, Stone in the Bladder, chronic Rheumatism or some other ter-ible form of Kidney or Bladder Trouble.

Gin Pills are sold at all dealers-50c. s box, 6 for \$2.50. Gin Pills are "Made in Canada". Sold in U.S. under the name "GINO" Pills. Trial Treatment free if you write

Since the discovery that a solution of ordinary sarolite and witch hase has a peculiar effect upon wrinkled skins. it has been learned that many prominent society women all over the country have used this simple home treatment with great success. The formula is: powdered saxolite, one ounce, dissolved in witch hazel, one-half pint. Use daily as a wash lotion. The beneficial action of this wash is felt at once. There's an agreeable re-trashing sensation and feeling of exhilara-tion. The skin soon becomes firmer and more youthful looking, flabbiness and all wrinkles are immediately affected. No one need hesitate to get the ingredients at the drug store and make the remedy her-self, for there are no harmful effects whatever.

I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without suc-cess, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. DON'T USE SOAP ON YOUR HAIR

WHY ACID STOMACHS ARE DANGEROUS

When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain mulsified cocoanut oil, for this is pure and entirely greaseless. It's very cheap, and beats soaps or any-thing else all to pieces. You can get this at any drug store, and a few ounces will last the whole fam-ily for months. Simply moisten the hair with water and rub it in, about a tea-spoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and casy to handle. Besides, it loosens and takes out every particle of dust, d'rt and dandruff.

Acid in the stomach is dangerous and frequently fatal, because acid from its corrosive nature has a natural tendency to destroy the nuccuus lining of the stomach itself. No one intentionally swallows hydrochloric acid, but it is of the stomach itself.
