Your Clothes Clean

Make the wonderful Rinso liquid first—take half a package of Rinso for each tub of clothes—stir it into a cream in a little cool water, add two quarts of boiling water, stir vigorously and put into the tub of cool or lukewarm water.

Put your clothes to soak for one hour, two hours, overnight, or as long as convenient in this rich Rinso suds, then just rinse thoroughly and the dirt runs away. Your clothes are ready for

If You Use a Washing Machine-follow the regular directions on the Rinso package and soak the clothes. Then before operating the machine, add fresh Rinso solution and proceed. No other preparation is needed when Rinso is used.

DISEASE AMONG ENGLISH CATTLE

(Canadian Press Despatch.) (Canadian Press Despatch.)

London, June 19—Foot and mouth disease has again broken out among animals in this country, this being the worst outbreak yet reported to the board of agriculture. The peak has occurred in the Derbyshire area, where more than 100 amimals have been certified affected by the disease. Slaughtering has begun with a view to preventing the spread of the infection, and urgent restrictions have been issued to the same end.

On Monday, June 19th insant, I will reopen and assume charge of the dining room of the La Tour Hotel, King Square. The Hotel will be conducted on the European plan and the dining department will be a separate enterprise, although conducted conveniently to the patrons of the Apartments as well as the general public. Three meals daily will be served after the method of the leading clubs and home-hotels in large cities. The summer price of noon-day dinner and supper will be 50c., and club breafasks will be served at reasonable rates.

During the summer months special inducements in prices will be offered on the ticket plan to suburbanites. Extensive changes are being completed with which patrons will doubtless be pleased. My long experience as a category warrants me in soliciting the patronage of the public.
