

NEWS NOTES ABOUT PROMINENT BAPTISTS

(Maritime Baptist)

Dr. C. E. Rockingham, who has completed the English Theological course at Acadia, has accepted a call to the Digby Neck First field, and will take up his work there at once.

Our heartiest congratulations are extended to Rev. J. Stanley Milet of Clark's Harbor, N. S., whose marriage to Miss Eleanor M. Robinson took place in Chester on June 8. May long life and abundant happiness be theirs.

Dr. J. H. Shakespeare has announced that he will retire from the position of secretary of the Baptist Union of Great Britain next year. He will then have served in that capacity for twenty-five years.

Rev. W. J. Hamilton of Chester, accompanied by Mrs. Hamilton, left for Boston last week to be present at the marriage of his daughter, Ada, who has been attending the Gordon Bible Training School, to Rev. Charles Welch, formerly of Westport. Mr. and Mrs. Hamilton will return about the last of June.

Rev. G. M. Wilson has resigned at Kentville, Yarmouth county, to accept a call to the Seale River field in Shubenacadie county. He will begin his labors with his new charge about the middle of July.

Rev. A. Avery Gates, after a brief but successful pastorate at Milton, Queens county, N. S., has tendered his resignation, to take effect the last Sunday in July.

A card just received at this office informs us that Dr. Zella Clark, Miss Martha Clark, Rev. S. C. Freeman, wife and four children, were to sail from Calcutta by S. S. City of York for Boston on May 5. They were all well and eagerly anticipating the meeting again with home friends. A hearty welcome will await them.

The Charlotte street church, St. John, is just closing a successful year. The debt incurred a few years ago through the building of additional Sunday school rooms and the installation of a pipe organ, has been completely wiped out, and the future is most hopeful. Pastor Jenner is leaving this week for a short vacation in Boston.

R. G. Haley and Mrs. Haley, who moved from St. John to Los Angeles some time ago, are spending the summer in St. John and vicinity, where they are receiving a royal welcome. Mr. Haley is well known in Maritime Baptist circles. He was president of the convention for one term and served for a number of years on the board of governors of Acadia.

The pastor and members of the Temple church, Halifax, are looking forward with keen anticipation to the dedication of their new house of worship, which is to take place on Sunday, June 20. Pastor Boyer has recently enjoyed a respite of ten days in P. E. I., whipping the stream of that fair province for speckled beauties.

The good people of Tanook gave their pastor a genuine surprise a few days ago. Finding out the date of his birthday, they gathered in force at the parsonage, bringing their baskets and gifts and wishing the pastor many happy returns of the day. Deacon William Stevens, on behalf of the people, presented a well-filled purse. We extend our congratulations to Pastor Pineo and wish for him many more years of active service.

PUBLIC MEETINGS FOR DISCUSSION OF COMMISSION ACT

When asked yesterday what steps were being taken in regard to enlightening the people in regard to harbor commission, Mayor Schofield said that it was the intention, commencing next week, to have one meeting a week on the subject. They would be held in different sections of the city, such as the north end, west side and the Seamen's Institute. He would welcome the names of any persons who would care to address the meetings, either for or against commission. N. P. Fennel, secretary of the Montreal Harbor Commission, would be here on July 7 and would address meetings at 3.30 p. m. and at 8 p. m. The afternoon meeting was to give those who live in the country during the summer a chance to hear his views on the subject.

**YOUR CUP
OF TEA**

Your cup of Tea means much to you. It is more than an item in the daily fare. It is the one thing that "rounds off"—or spoils—an enjoyable repast.

Tea is fortunately so cheap in this country that there are few who cannot afford Choice Tea. The cost per pound is only slightly higher than ordinary Tea, while the increased pleasure you get from every cup you make is worth many times the difference. It is true also, that a FLAVOR-FULL Tea like KING COLE Orange Pekoe will actually spend further—that is, make more cups to the pound. KING COLE Orange Pekoe is prepared particularly for lovers of Choice Tea.
