### HOW TO VOTE ON SATURDAY

To get prohibition it is absolutely essential to mark a cross in both first and last spaces of the ballot, as per the accompanying card. Every voter who comes to the polls Saturday will have a ballot presented to him or her, and the man or woman who is anxious to vote for prohibition should have it indelibly fixed in his or her mind that if the ballot is spoiled the vote is lost. It is so simple to remember that the ballot must be marked by a plain cross in the right hand portion of the first and last spaces, just as so plainly indicated above. Keep this in mind, vote early, and encourage all your friends to come to the polls.—(adv.)
