## Thirty Dollars and Its Application Towards a Suit

Surprising what \$30 will do here in the way of a suit for men. More will do more, naturally, but \$30 here means more than in other stores in higher rent districts.  
This "out of the high rent district" isn't a mere play on words, but it effects an actual saving in money, as men all over town will testify.

## TILTING AGAIN IN COMMITTEE

There was a lively tilt at words between some of the city fathers at a committee meeting in city hall this morning, when Commissioner Prink drew attention of the board to the fact that he had been the first to arrive for the meeting. His remark that he was at the committee room first and that he had to wait some time for the others to arrive was questioned by Commissioner Bullock, who said that he was also at the committee rooms on time and that he used his watch for guidance and not the clock over the old post office.  
When both Mayor Schofield and Commissioner Thornton said that the commissioner of public works was wasting the time of the committee, Commissioner Prink denied this vehemently and said that he had a right to speak fifty times if he so desired. When quiet had returned, the usual routine matters were considered.

## CASH AND BONDS STOLEN FROM STORE

Burglary at Frank E. Jones' Electrical Supply Premises in Germain Street.

Frank E. Jones' electrical supply store, 124 Germain street, was broken into some time on Tuesday night or early Wednesday morning and more than \$100 in cash and several stock certificates and bonds were stolen; the safe was not blown open, but unlocked by some one who knew, or overcame the combination. Mr. Jones said that his private papers were all stolen, envelopes opened and the contents scattered about. So far as he can remember, he said, he had \$68 or \$78 in American currency and about \$80 in Canadian currency in addition to bonds and some stock certificates.  
The burglar forced the lock off the front door and, after completing his task, fastened it on again with elastic bands. It was not until Wednesday morning that the break was discovered. George Sterling, an employee, upon arriving to open up discovered the broken lock and upon entering saw the safe open papers strewn over the floor. The police were notified and have since been working on the case. The proprietor did not know about the break until this morning, as he was absent from the city. He is offering a reward for the return of his private papers, which are of value to him in his business.

## A FOOTBALL MATCH BUT NO SPORT SERIES

Entries Not Sufficient for Saturday Afternoon to Make Good Competition.

The programme of sports to have been held on Saturday afternoon on the East End grounds under the auspices of the Commercial Club, have been called off by A. W. Covey, chairman of the sports committee, owing to a lack of entries. There were not enough athletes interested and as a result many of the entries had no entries and others not sufficient to make good competition. However, there will be a football match between two local teams composed of English and Scotch players and a keenly contested game is anticipated.

## MORE TRAFFIC IN THE PETTINGILL WHARF VICINITY

It is understood that the C. N. R. will begin laying rails for more track in the vicinity of the Pettingill wharf as soon as the necessary arrangements are completed with the city. This will enable the C. N. R. to do more business, and do it more rapidly on the section of the harbor front.  
The appraisal of the brick-enclosed warehouse on McLeod wharf, occupied by T. McLaughlin & Son, Ltd., which was made last week by two disinterested business men, has been sent to the management of the C. N. R. at Moncton, and it is expected that action will be taken by the railway authorities within a week. It is thought the building will be razed to provide the additional track area at the water front.

## MARRIED IN SEATTLE

A very pretty wedding took place at the University Episcopal Church, Seattle, on August 4 at 7 p.m., when Miss Jennie A. Shanks, eldest daughter of Mr. and Mrs. Samuel A. Shanks, of 460 Douglas avenue, St. John, was united in marriage to Albert L. Colson, formerly of Strassburg, Nebraska, but now of Seattle, Rev. Dr. Trepan, D. D., performed the ceremony in the presence of friends and relatives of the bride and groom.  
The bride was given in white duchess satin with over-lace and pearl trimmings and wore a bridal veil caught up with orange blossoms. She carried a bouquet of American Beauty roses. The bridesmaid was Mrs. Hazel Rhodes, sister of the groom. She was dressed in pink silk tulle with black picture hat, and carried a bouquet of sweet peas.  
The ring bearer was Master Donald Rhodes, who carried the ring on a rose. Senor Tito was best man. After a reception held at the home of the groom, Mr. and Mrs. Colson set out for a trip to Portland, Oregon, and Spokane, Wash. The bride's traveling suit was navy blue with a white satin hat and white fox fur. On their return they will live at 3812 Eastlake avenue, Seattle, Washington.

## FIRST AID CLASSES

Beginning next week, S. A. Gidlow, general secretary of the C. P. R. Centre, St. John Ambulance Association, with the assistance of his assistants, will give first aid for C. P. R. trainmen of this division. They will remain several weeks, and all trainmen will be given an opportunity to qualify themselves for giving first aid to the injured in any case of accident. The teaching is simple and practical, as was demonstrated when Mr. Gidlow was here on a similar mission some years ago. Mr. Gidlow and his assistant instruct men not only in the best use of prepared appliances, and how to make use of what they usually carry on their own person, such for instance as pocket handkerchiefs, mufflers, braces, belts, neckties, boot-laces, umbrellas, walking sticks, etc., with which to treat broken limbs, to arrest severe bleeding, in fact to treat any accident in an intelligent manner until the arrival of the doctor. It is expected all trainmen will welcome the opportunity to take the simple but very valuable course.

## POLICE COURT

In the police court this morning Walter McCann and Walter Morris were charged with wandering about Chapel street and not being able to give a satisfactory account of themselves. They both pleaded not guilty. Sergeant Journey testified that about 11:45 last night he saw them travel along to Long wharf to Main street, then go up as far as Portland street. There, he said, they saw him and went into Acadia street. Here he lost track of them, but later saw them in Chapel street and placed them under arrest. They were remanded.

Herbert McDonald charged with assault upon his mother-in-law, Mrs. Rose Allen, pleaded not guilty and was remanded.  
Upon putting up a deposit of \$208 for his appearance in court tomorrow afternoon at two o'clock, William Bell was allowed his liberty.  
One man arrested on a drunkenness charge was remanded.

## Out-of-Doors Yet Safe from Harm!

Nature works the same with the child as with the plant. Transplant a flower from your garden and bring it indoors, away from the air and sunshine and watch it lose its strength and beauty.

A baby, like a plant, needs all the fresh air it can get during the summer. Don't keep the little one indoors these nice days when for a few dollars you can purchase a Kiddie Koop in which you can leave the baby on the porch or in the yard without fear of it toddling into danger.

Think of the time you, mother, will save in a day if you can attend to your household duties without interruption and leave the child in the fresh sunshine with its toys.

We have a complete line of Children's Furniture which will minimize the time you must spend with the baby, and we shall be glad to demonstrate any of these articles at any time.
