This sale will commence on Friday morning and continue while the stock lasts. Do not miss this chance of getting what you need for use now or later on. The prices make it worth your while to buy now. BEWARE OF TENDER GUMS

Unhealthy soil kills the best of wheat. Unhealthy gums kill the best of teeth. To keep the teeth sound keep the gums well. Watch for tender and bleeding gums. This is a symptom of Pyorrhea, which affects four out of five people over forty.
Pyorrhea menaces the body as well as the teeth. Not only do the gums recede and cause the teeth to decay, loosen and fall out, but the infecting Pyorrhea germs lower the body's vitality and cause many serious ills.
To avoid Pyorrhea, visit your dentist frequently for tooth and gum inspection. And use Forhan's For the Gums. Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Start using it today. If gum-shrinkage has set in, use Forhan's according to directions, and consult a dentist immediately for special treatment.
30c and 60c tubes in Canada and U.S. If your druggist cannot supply, send price to us direct and we will mail tube postpaid.

GUARD AGAINST CHILLS

Simple Precaution Against Dangers of Cold and Damp.

Cultivate the habit of taking a cup of hot Oxo—a cube to a cup—before going out in the cold or damp. Such weather is a tax upon the system, and the strengthening and warming powers of the concentrated best goodness fortify you against the evils consequent upon exposure.

If the uses of Oxo are new to you, try a tin of four cubes. Oxo greatly improves gravies, stews, or soups, and is a delightful, sustaining and appetizing beverage. It is excellent for children.

Regular users of Oxo prefer the larger tins of 10 and 50 cubes, using them in many different ways in place of meat.

ATTEMPTS SUICIDE AT 88

Leon Lewis, Once a New York Editor, Cuts His Throat in Connecticut.

Winsted, Conn., Oct. 24.—Leon Lewis, 88 years old, author and former newspaper editor, who was at one time on the staff of the New York Herald, attempted suicide at his home in Winstedville, eight miles from here, by gashing both sides of his throat and left leg with a rusty razor. Then he called to his son, Leon, Jr., who lives near him, for aid.

Mr. Lewis was brought to the County Hospital here after receiving medical attention at his home. He lives with a sister, Mrs. S. Risley, 94 years old, and a cripple. Despondency is believed to have caused his act. He had threatened to kill himself last summer. Friends say that early this month he disappeared and when found by a searching party next day was wandering aimlessly through the woods. His conditions is regarded as critical.

FINED FOR CHANTICLEERS.

New York, Oct. 28.—Charged by sleepless neighbors with keeping 123 chickens in his apartment above his butcher shop, Solomon Saltzman was fined \$5 for violating the sanitary code. Families in the house said that at 5.30 every morning there was such a bedlam, thanks to Saltzman's roosters, that sleep was impossible.
