IMPERIAL THEATRE EASTER MONDAY

Splendid British Navy Play and Sings Guarino Also Canadian Budget

The Easter programme to be provided at Imperial Theatre Monday and Tuesday will sparkle with specially attractive features. The pictorial attraction will be a thoroughly British drama entitled "Within the Lines" in which the eminent player, Lewis S. Stone, will assume the leading role. This is a story of the British navy, the rock of Gibraltar, the British forces in Egypt and the German spy system. Many of the scenes were taken at Gibraltar itself and the navy pictures are most inspiring.

FRIENDS THOUGHT HE WOULD DIE

FRUIT-A-TIVES' Conquered Dyspepsia and Restored His Health

MR. ROBERT NEWTON.

"I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep well at night. I lost so much weight—going from 185 pounds to 146 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-a-tives'."

In a week there was improvement. The constipation was corrected, and soon I was free of pain headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well strong and vigorous."
