

In a remarkable series of experiments on human subjects

conducted under the direct control of a famous physiologist and afterwards reported to the British Medical Association, Bovril was proved to possess extraordinary powers of building up the body.

It was found that Bovril, in addition to its own high nourishing value, has the peculiar power of enabling the system to extract from other foods, nourishment which would otherwise be wasted.

In each case the addition of Bovril to the regular diet caused a definite increase in bodily weight—out of all proportion to the Bovril taken. In fact,

the body-building power of Bovril was proved to be from 10 to 20 times the amount taken

Bovril is the concentrated goodness of the best of beef. It is a wonderfully warming winter beverage; it builds up the weak constitution and strengthens the strong one; it guards against the grip; it checks colds and chills; it is cook's right hand in the kitchen; it is man's friend in the cold-rooms. Buy a bottle today.

WILLIAM CRUKSHANK
Private Secretary.

Wanted — Chamber-maid Victoria Hotel. 1288-9-17.

Millinery opening Thursday, Sept. 18th at M. M. Dever's, 289 Main street, N. E. 1442-9-18

Consumers' Coal Company for good fuel at reasonable price. 11.

Just arrived, blue and black serge suits, plain tailored at \$20.—At Fashion Hall, 57 King street. 9-18.

LOCKSMITH
Locks repaired and keys fitted.—V. S. Thorne, 108 1-2 Princess street, opposite garage. 1075-9-22.

Tables reserved for supper after the Imperial Theatre performance at the Brown Betty Tea Shop. 1896-9-19.

Howard W. Smith, of The O'Neil Pharmacy, won one of the cash prizes awarded by The Frederick Stearns Pharmaceutical Co.

J. Morgan & Co., 629-633 Main street, announce their millinery opening Wednesday and Thursday, Sept. 17 and 18. 1462-9-18.

CHEAP LUNCHEONS
Look for the English fried fish and lunch shop in Brussels street, where you can get a good meal for 10 cents. 1896-9-18.

MILLINERY OPENING
Fall opening Tuesday and Wednesday, Sept. 16 and 17, at the Elite Millinery Parlors, 44 King Square, under the Lansdowne. 1899-9-17.

Better bring in your shoes and let us them up. No matter how much worn, we can turn them out practically new. Charge no more than ordinary repair costs. D. Monahan, 62 Charlotte street.

Don't worry about your boot repairs; call up Main 161-21 and we will call for and return them promptly; eight pairs of experienced hands ready to do your bidding. W. Brindle, successor to Stein Bros., 227 Union, close while you wait.

SOLID COMFORT.
Your evening paper (say the Times) and an open fire make a good combination most any evening this time of year. This suggests Broad Cove soft coal. It is all blue and heat and does not coke or matt over when burning. We also have good dry hard wood for those who like a wood fire. Either will add a great deal to your comfort these cool fall evenings. Consumers' Coal Company, Ltd., 629 Charlotte street, near Haley's factory. Phone Main 2760. 11-18-16-18.

LADIES TAKE NOTICE
The great sale of ladies' winter coats ever offered in this city will start on Wednesday morning at nine o'clock at our store, 27 and 29 Charlotte street. One of the leading manufacturers of ladies' winter coats consigned to us one hundred and fifty coats of the newest styles, with instructions never before for advertising purposes, without restriction as to price. We have therefore cut the price in two on every coat and we can assure you that such bargains in new stylish garments, right at the beginning of the season, never before were offered in this city.

Call early, as these winter coats will go like hot cakes, as soon as it gets cold. The sale is at our store, 27 and 29 Charlotte street.

TO FREDERICKTON OVER THE TRANSCONTINENTAL

The Intercolonial will give reduced fares from all provincial points to the Fredericton Exhibition. There will be special excursions until Sept. 20 with tickets good to return two days from date of issue. There will be a special train over the Fredericton division on Sept. 17.

On feature this year will be the excursion from Moncton over the Transcontinental railway. The special leaves Moncton at 8 a.m. on Sept. 16 and reaches Fredericton via McGivney's Junction. The round trip fare from Moncton is only \$2.50. 9-17.

Lost in the Alps
Geneva, Switzerland, Sept. 16.—Four experienced Swiss mountain climbers, one of them Mlle. Bunnell of Pontreva, have been missing since Friday on Pis Palu, a summit of the Upper Engadine, in the Environs.

As continuous snowstorms have prevailed there is little hope of finding them alive. Two rescue parties of guides, which started from different points, were driven back by the fierce whirlwinds of snow.

Mrs. Mabel Carpenter of St. Johnsbury, Vt., has an apple tree on one side of which is full-grown fruit, while on the other the tree is still in blossom.

Expert Eye Examination
It is absolutely necessary to determine the proper kind of glasses to wear. Selecting them by any other method may result in permanent injury to your sight.

Our prices are reasonable and service unexcelled.

A CURE FOR DRUNKENNESS
WITHIN THE REACH OF ALL

That Alcoholism is a disease is now recognized by Science. No man in his senses brings disgrace and ruin on himself and family through choice.

Alcure stops the craving for drink, builds up the system, steadies the nerves. It is guaranteed to cure or benefit or money refunded after a fair trial. Alcure No. 1 can be given secretly by any wife or mother wanting to restore a dear one to health and usefulness. Alcure No. 2 is the voluntary treatment.

Can be had at our store, only \$1.00 per box. Ask for our free booklet about Alcure.

E. Clinton Brown, corner Union and Waterloo streets.

Refugees from Mexico
San Diego, Cal., Sept. 16.—A radiogram from the auxiliary cruiser Buffalo, now off the lower California coast, says the refugees on board the vessel number 187, of whom seven are German and two British subjects. All came from the Yucal River.

A man, believed by the police to be John Hawkins, 48 years old, of Erie Pa., committed suicide by jumping into the Niagara river from the lower steel arch bridge yesterday.

The death of Cornelius Mahoney took place yesterday at his residence, 200 Waterloo street. Mr. Mahoney was formerly a resident of Hampton, where he was engaged in farming for some time, and moved to the city two years ago. He is survived by his wife and three sons—George, of Boston; Edward, of Boston; and Thomas, of Sydney. The funeral will take place tomorrow morning at 10 o'clock, from his late residence. Interment will be at Hampton.

At Hartland on Sunday, Gordon McAdam passed away. He leaves his wife and two children to mourn.

Duncan Bird, of Birdton, York county, passed away suddenly on Saturday afternoon at Saunders' Hotel, Fredericton. He was a widower. Several sons survive.

Mrs. Mary Ann Bell, widow of Robert Bell, passed away on Friday in Fredericton, aged seventy-four years. Four sons and one daughter survive. They are: James A. Bell, George Bell, Robert B. Bell and John Bell, of Fredericton, and Mrs. George W. Gilmour of Glasville.

The death of Ronald B. Thompson occurred at his home, 8 Catell street, Bangor, on Sunday at the age of forty-four years. He leaves to mourn his death besides his widow, Harriet P. and a son, Keith M., all of Bangor. Mr. Thompson went to Bangor from St. Stephen, N. B., several years ago, and was a widely known salesman with a large number of friends.

Burnham Crossman, aged sixty-eight years, died at the home of Mrs. Robert Doherty, Sackville. He is survived by one daughter, Mrs. Doherty, of Sackville, and by four sons, Milton, Norman, Burnham and Archibald, the last named a brilliant graduate of Mt. Allison College, and one who has a continental reputation as a musician. Deceased is also survived by four brothers: Charles, of Woodhurst; John and Albert of Sackville, and Frederick of Clinton, Mass.

CHANGE IN HOMESTEAD REGULATIONS IN WEST
Edmonton, Alta., Sept. 16.—Hon. William J. Roche, minister of the Interior, who is making a tour of western Canada, announced in Edmonton that the homestead regulations will be amended so that settlers in the timber districts may raise live stock instead of cultivating their lands to prove their claims, and also that the federal government will abolish the stipulation that at least \$800

be expended upon a dwelling on the homestead, too, will be allowed for proving up pre-empted lands.

Less time, too, will be allowed for proving up pre-empted lands.

Doctor Roche said also that the Hudson Bay railroad, constructed by the federal government, will be completed and in operation within eighteen months, and that good roads will be built in the farming districts.

CONFERENCE FOR THE PROTECTION OF WORKERS
Berne, Switzerland, Sept. 16.—An international conference for the protection of workers, convoked by the Swiss Federal Council, was opened here yesterday. E. Schultess, head of the department of commerce, industry and agriculture, laid stress on the importance of a new conference which has been called by the international association for the protection of workers with the object of preparing conventions limiting the working hours to ten hours for women and young persons, and also forbidding the employment of the latter in night work. He asked that the federal council invite the foreign governments to send delegates to this conference.

TO Meet in the West
Saskatoon, Sask., Sept. 16.—The first meeting in western Canada of the general synod of the missionary society of the Church of England in Canada will be held in Saskatoon on October 9 and 10. The matter for consideration is the entire missionary work of the church.

PRESENTATION OF AUTHENTIC MILLINERY FOR AUTUMN WEAR

Great as our efforts have been in the past, we firmly believe this the finest collection of authentic millinery ever displayed in our show rooms. The exquisite novelty, the remarkable beauty of the models adds to our prestige as millinery specialists.

Model creations from London, Paris, and New York, untrammelled shapes, in velvet, plush, velours, bright finished felts, moleskin, peau de peche, and perian lamb, etc.

Come and let our four millinery buyers, who searched New York for novelties, show you what is new. Marr Millinery Company.

Some Aged N. B. People In B. C.

A Vancouver correspondent of the Moncton Transcript writes:—

"In the city of New Westminster there is an aged woman living, who was born in Woodstock, N. B., over ninety-nine years ago. That aged woman's name is Mrs. Debeck. Although Mrs. Debeck is in the one hundredth year of her pilgrimage, she is still young in the use of her faculties, and enjoys life with the cheerfulness and enthusiasm of youth.

"In the same city of New Westminster, a man and woman celebrated on the 27th August the fifth anniversary of their marriage union. I refer to Mr. and Mrs. Wesley Peck. Both of them were born in the parish of Hopewell, Albert County, New Brunswick. Mr. Peck is a son of the late Joseph Peck, of Riverside, Albert Co. Mrs. Peck is a daughter of the late John Rogers, of Hopewell Hill, Albert Co. Mr. Peck was eighty-six years old last June, and Mrs. Peck is thirteen years younger.

They lived for a number of years at Harvey Bank, Albert Co., when the late S. J. Thompson, of the same place, was a ship-carpenter, until about three years ago. The writer and his wife had the pleasure of being present at the golden wedding of Mr. and Mrs. Peck. They are in good health, look young, and take an intelligent interest in the affairs of the world. Their comfortable home is beautifully situated on a terraced elevation, overlooking the Fraser River. On the plot of ground which they live on, are a few fruit trees, a lawn and some flowers and shrubbery, all of which produce a beautiful beauty and quietude. A green old age, a pleasant home, a delicious domestic life, and a family of children, are the joys of their family, and the cordial love of an extensive circle of friends.

RECENT DEATHS

Edward McPartland, the well known painter, died at the Edward Hotel on King Square last evening. Mr. McPartland had appeared to be in his usual good health at four o'clock in the afternoon. When the porters had occasion to go to his room about ten o'clock he found him dead in bed. Dr. Berryman, who summoned, said he had been dead for three or four hours, and attributed the cause of his death to heart trouble. Mr. McPartland is survived by one daughter, Marion, at present in the city.

The death of Cornelius Mahoney took place yesterday at his residence, 200 Waterloo street. Mr. Mahoney was formerly a resident of Hampton, where he was engaged in farming for some time, and moved to the city two years ago. He is survived by his wife and three sons—George, of Boston; Edward, of Boston; and Thomas, of Sydney. The funeral will take place tomorrow morning at 10 o'clock, from his late residence. Interment will be at Hampton.

Health and Beauty Answers

Clara: Your yellowness around chin and beauty and brighten the eye itself. mean that your liver requires a regaining. I would suggest a pain reliever tonic. This will cleanse the blood and give tone and strength to the liver and kidneys and when these organs are in a healthy condition you will be free from bilious attacks, abdominal headaches and the pains in small of back and groin. To prepare this tonic put 1 ounce cardamom into 1/2 pint alcohol (never use whisky), then add 1/2 cupful sugar and hot water to make a quart. The dose is a tablespoonful before meals. The skin of the face is excellent to clear the skin of pimples, blotches and sallowness, and is used by frequently washes doctor's bills.

A. D. X: Yes, a delicate paste is the most satisfactory thing of which I know for removing not wanted hairs. This paste is made by mixing a sufficient paste to cover the hairy growth and after two or three minutes pyroxylin of hair-roots with thumb and forefinger. Thin, ugly eyebrows come in thick and glossy, merely by rubbing pyroxylin on. Use care and don't get any pyroxylin where hair is not wanted.

G. A.: You will be surprised on how beautifully long and curly your eyebrows will grow if you apply a little pyroxylin of hair-roots with thumb and forefinger. Thin, ugly eyebrows come in thick and glossy, merely by rubbing pyroxylin on. Use care and don't get any pyroxylin where hair is not wanted.

Beulah: If you will keep your scalp clean and pliant by occasionally shampooing with a teaspoonful canthrox dissolved in a cup hot water, the hair-roots will take on a new vigor, resulting in a head of healthy, beautiful hair. This canthrox, which is easier to use than any shampoo of which I know, creates a wealth of white, thick lather, that dissolves all dust and dandruff and neutralizes excess oil. Rinsing leaves the scalp immaculately clean, and the hair dries quickly, with a rich, even color and is ever so fluffy and brilliant.

Ella: I do not know how your eye trouble may be caused. There are many reasons which might make them dull, but I do know a certain way to tone, strengthen and brighten them. To relieve the redness and soothe the eye strain apply the following tonic: Drop into each eye 2 or 3 drops daily of a simple preparation made at home by dissolving an ounce erythros in a pint of water. This will relieve inflamed lids.

Mrs. W.: The girl who laughed at your "make-up" must have had some little cause at least. Most face powders give that artificial look. Besides, they rub off so easily and do damage to sensitive skins. Here is a formula which I find has met with wonderful success: Dissolve four ounces of aprunax in 1/4 pint water and add two teaspoonfuls glycerine. Apply this lotion to face, neck and arms and rub until dry. It whitens the skin naturally, will cling a long time, seeming really a part of the skin, to which it gives a dainty glow and velvety softness and is a good preventive of all skin blemishes.

Anna: Yes, I know a harmless fat reducer that works rapidly and which many of my too heavy friends used to bring them to normal weight. Into 1 1/2 pint of hot water put 4 ounces parafin; strain when cool and take a tablespoonful before meals until weight is sufficiently reduced. Then stop the treatment. This parafin treatment requires abstaining from violent exercise and stores the figure's symmetrical lines and after your weight is where you want it, the flesh will be firm and the skin free from wrinkles.
