MISERABLE WITH STOMACH TROUBLE

"FRUIT-A-TIVES" BRINGS THE HAPPINESS OF HEALTH

"Fruit-a-tives" cures Stomach Troubles because it cures the Liver, Kidneys, Bowels and Skin. Indigestion etc. is not usually the fault of the stomach itself. The bowels are irregular—the kidneys are weak or strained—the skin is impure—and consequently the blood is impure. It is the impure blood that really makes bad digestion.

"Fruit-a-tives" purifies the blood by making all the vital organs active and healthy—which in turn relieves the stomach. Take "Fruit-a-tives" if you want to get rid of all Stomach Troubles and faults of Digestion.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.

GOING TO SEE THE ELEPHANTS

INGERSOLL WILL BE WELCOME REPRESENTED IN LONDON ON SATURDAY, AUG. 20.

Ingersoll will be well represented in London on circus day. Indications are that the town will turn out by the thousands, attracted by the wonderful new circus which the Barnum and Bailey people are putting forth this season. The show has an entire new equipment, costing the management \$2,200,000. One third of this was spent on the parade which is reported as the most elaborate street spectacle ever devised. It is three miles in length.

The great manager of this circus is creating nothing short of a sensation in the towns it visits. It contains the most remarkable collection of rare and odd animals ever seen in the world, and many specimens which are not duplicated in any other zoo in America or Europe. The chief attraction here is a 3 1/2 ton giraffe, the only one ever born in this country. In fact, it is the only giraffe, not full grown, ever seen outside the depths of the African jungle. Matured giraffes are scarce enough, but this youngster is worth his weight in gold.

The performance in the main tent is presented by 100 of the world's greatest artists, gathered from no less than thirty-two nations. The most sensational surprise, however, is the offering of a novel and not at all like the acts that have been seen in America in the past. Fifty clowns furnish the comedy and in this respect the show is the laugh
