Students taking B. A. Honours in any of the above Courses may omit two of the ordinary subjects in the Degree Examinations, under the conditions stated in § IV. 4.

In Mathematics and Physics, Honours are also given in the First, Second, and Third Years, and in Classics in the Third Year.

§ IV. EXAMINATIONS.

COLLEGE EXAMINATIONS.

There are two examinations in each year; one at Christmas, and the other at the end of the Session. In both of these, Students will be arranged according to their answering, as 1st Class, 2nd Class and 3rd Class.

Students who fail in any subject in the Christmas Examination are required to pass a Supplemental Examination in that subject before admission to the Sessional Examinations.

Students who fail in one subject in the Sessional Examination, are required to pass a Supplemental examination in that subject. Should they fail in this, they will be required in the following Session to take the Lectures and pass the Examinations in the subject in which they have failed, in addition to those of the ordinary Course, or to pass the Examination alone without attending Lectures, at the discretion of the Faculty.

Failure in two or more subjects at the Sessional Examinations involves the loss of the Session. The Faculty may permit the Student to recover his standing by passing a Supplemental Examination at the beginning of the ensuing Session. For the purposes of this regulation, Classics, and Mathematics with Physics, are each regarded as two subjects.

The time for the Supplemental Examinations will be fixed by the Faculty; and such Examinations will not be granted at any other time, except by special permission of the Faculty, and on payment of a fee of \$5.
