B. C. Copper Company Appeals Against Assessment by Government. Greenwood, Sept. 1. - A provin- terminal grading is complete. cial government assessment case in shops will go on the back side of the which the government seeks to col-grading, and of course that will be the

before by C. R. Hamilton, K. C., of offices." Rossland, acting as judge of the court of revision. This was the appeal of the B. C. Copper Company against an asessment of \$800,000 for income the years 1901 to 1907. Four per cent. taxes that is involved. After hearing the evidence and addresses of counsel Mr. Hamilton reserved judgment.
The company has always made its output of the Mother Lode mine which operates, but has never paid anything on account of income from its smelter or its profits on custom ore,

etc. Finally John Kirkup, assessor, of

Rossland, placed an assessment of

during the years 1901 to 1907. If this

\$800,000 on the company for inco

ssessment is sustained the company will be liable for taxes to the amount already mentioned. BRIGHT OUTLOOK FOR **BIG BEND COUNTRY**

Mineral Deposits of the District Still Practically Untouched.

Nelson, Sept. 1. - G. C. Taylor, of Phoenix, who has made several trips into the Big Bend country during the summer, says that while the district is yet somewhat hampered by the lack of

future before it.
"The mineral deposits of the Big Bend country," said Mr. Taylor, "are still practically untouched, but there is every prospect of a revival of the activity of the early sixtles taking place in the very near future. There is a considerable amount of hydraulic mining going on there just now, and everything points to a rapid develop-

ment throughout that section of Koot-Mr. Taylor is operating the Montgomery group of claims on Downie creek and the McGregor group on Leforma creek, both of which he says are making splendid showings as the re-FURNISHED ROOMS, with bath; use of kitchen if desired.
