

ST. JOHN STAR, TUESDAY, SEPTEMBER 20, 1904

CONFERENCE.

Question of Union Will Come Up Today.

Delegates Rejected Offer of Census

Commissioner to Patch Up a Correction in the Returns.

TRACY STATION, Sept. 19.—As showing the interest in this session of conference, there arrived a considerable number of people in this morning's train. Among them are: Rev. G. O. Gates, D. D., of St. John; Olden McLeod, of Penobscot; C. W. Weyman, of Apohaqui; Felix Smith and L. Yarns, of Fredericton.

On reassembling of conference at 9 a. m. after usual opening exercises, the first order of business was the election of officers. Rev. J. B. Dargatzis, elected moderator, and Rev. G. W. Foster, associate moderator. L. H. H. Cochran, from committee on literature, reported that what we read in a most important factor in the making of the Bible. Therefore again was recommended the Bible as the ideal book.

The delivery selection of hymns was urged upon all churches as a satisfactory book of praise. Care should be taken in regard to books placed in the children's hands.

Confidence was reaffirmed in the religious intelligencer, and all were urged to become subscribers. The report was adopted.

Rev. G. O. Gates, D. D., of St. John, a member of the committee on Baptists Union, being present, was invited to a seat with the conference. He said he was glad to be present. He had known members of this denomination for years and seemed to love them very much. In fact, he loved the communion, that he felt and knew they were best. He was sure that the communion was for the purpose of the advancement of Christ's kingdom. A stranger going from church to church could tell no difference in the preaching. He hoped to have an opportunity of saying something on the question of union before conference closed.

Rev. A. J. Frouser was appointed corresponding secretary for home missions, and Rev. H. H. Nobles, treasurer; Rev. A. W. Clarke, cor. secretary for foreign missions; Rev. D. Patterson, cor. secretary for Sunday schools; Olden McLeod, treasurer for sick and disabled ministers' fund.

Board of managers—D. McLeod, Vincent, treasurer; Rev. Dr. McLeod, J. E. Good, Geo. McLeod, B. S. Palmer, and E. J. Clark, Rev. A. Perry, delegate to N. S. conference, and Rev. A. J. Frouser, substitute.

Rev. Dr. McLeod said that Rev. Mr. Hiddall, a member of N. S. F. B. conference, now an Ottawa official, had written him that he had interviewed the census commissioner, in regard to the census matter, and the commissioner had stated that there was no intention to do any one wrong, and proposed now to incorporate in the census returns a statement from this conference as to the estimated number of Free Baptists in N. B. Dr. McLeod said personally he was not in favor of accepting this proposition, for the statement of the census, when they were shown to be wrong, would not be accepted, and corrected in a main way, and this was a tardy and undignified mode of procedure.

After some discussion by Rev. H. H. Fergusson, A. J. Robertson, D. Patterson and Olden McLeod, and D. McLeod, Vincent, it was resolved that the proposition of the census commissioner be not accepted, for it was not a proper mode of correction.

D. McLeod, Vincent, treasurer of conference, reported receiving from Rev. A. J. Frouser, secretary, the sum of \$25.00. Since then other sums had been received, so there was a total on hand at the present time of \$417.50.

A communication was received from Rev. G. E. Foster, auditor of conference, stating that in his great disappointment, he would not be able to attend this session of conference.

It was resolved on motion of Rev. A. J. Frouser, seconded by Rev. J. H. Erb, that the corresponding secretaries of home and foreign missions shall hold office for three years, and that only two members of each committee retire per year.

Rev. G. W. Foster reported from committee on district meetings that: 1st District meeting held with the church at Upper Kent, first Friday in July. Rev. H. A. Bonnell was appointed to attend.

2nd District meeting at Windsor, the second Saturday in June.

3rd District meeting at Upper Haddam, the first Friday in September. Rev. H. H. Fergusson to preach the annual sermon.

4th District meeting, the second Friday in September. Place to be left to the executive.

5th District meeting the first Friday in July at Oak Point, Revs. O. N. Mott and G. W. Foster to attend.

6th District meeting the second Friday in July at Penobscot, Rev. A. J. Frouser to attend.

7th District meeting the second Friday in August at North Roads.

It was recommended that Rev. Dr. McLeod attend all district meetings. At 2 o'clock conference reassembled. Moderator Dagget in the chair. The report on absent brethren was presented by H. A. Bonnell. Few ministers were found to be absent, five through sickness, the others away from the province, and are either pastors or at school. They were excused.

Conference went into committee of the whole on literature. This committee reported recommending that L. T. D. Bell be ordained, and that J. C. Wilson, B. H. Cochran, G. O. Reister, H. M. Manser, G. D. Milburn, W. E. Kirkpatrick, J. J. Bonnell, Harry Boyer, G. J. Perry and W. H. McCutcheon be continued on conference list.

Resolved that the ordination of T. D. Bell take place on Tuesday evening at 7 p. m. Rev. G. W. Foster to preach the ordination sermon.

Moved by Rev. Dr. McLeod, seconded by Rev. John Henderson, that the amended basis of union as accepted by the Baptist convention and the F. B. ministers' conference, be accepted by this general conference, and that a committee be appointed to present it to the churches for ratification and to have power to consummate the union in the event of ratification; and that this be the first order of business on Tuesday morning.

The Women's Missionary Society met at 10 a. m., the president, Miss Augusta Slipp, presiding.

Rev. J. N. Barnes was re-elected as home missionary, and very appreciative words were spoken of his work. The work at Uruca, India, was provided for with the usual appropriations, and the book room at Balasore. A contribution was also made to Mrs. Phillips of India, widow of the late Dr. Phillips.

A most interesting feature of the meeting was the offer of Miss Dora Doucette of Knowlsville, Carleton Co., as a foreign missionary. She was gladly accepted, and will stand the usual medical examination.

At the public meeting this afternoon some of the interesting features were addressed by the returned missionaries, Miss Gaudin and Mrs. Sunder. They also sang a duet in a Hindoo dialect. Miss Morgan and Miss Johnson of Hartland sang a duet. There was also an address by the president. The report of the corresponding secretary, Mrs. C. W. Weyman of Apohaqui, was given, also that of Mrs. Henry Hart, secretary of home mission work.

The report of the treasurer showed a balance of \$113.58, with receipts this year of \$1,600.

The society adjourned to meet at 8.30 a. m.

TRACY STATION, Sept. 17.—After opening exercises, when conference reassembled at 7.30 p. m., Rev. E. S. Parker, corresponding secretary of Sunday schools, presented a report. He said: For many reasons it was found impossible to get, in time, material to make a valuable report. But Sabbath school work was a very important branch because it touched a highly sensitized thing and left impressions there that were sure to be reproduced. Therefore how necessary that impressions pertaining to truth and righteousness should be left there. In after days they would bring forth good results.

Other speakers were E. W. Slipp and Rev. J. H. Erb.

Rev. D. Long, from the committee on Sabbath observance, reported, regretting the growing tendency of desecration of graves, and suggesting that the Sabbath by making it a day of pleasure and to take away its sanctity. Therefore he suggested that the Sabbath be made a day of pleasure and to take away its sanctity. Therefore he suggested that the Sabbath be made a day of pleasure and to take away its sanctity.

Supporting speeches were made by Rev. R. W. Ferguson, B. H. Nobles, G. W. Foster, J. H. Erb, D. Long and Mr. D. McLeod.

Revs. D. Patterson and R. Heine, members of the N. S. F. B. Conference, in New Brunswick, were admitted to the membership of this conference.

The Sabbath services were as follows: Tracey Station—10 a. m., annual sermon by Rev. E. S. Parker; 3 p. m., Rev. G. R. Merrill, N. S. F. B. delegate; 7 p. m., Rev. E. H. Nobles, Fredericton Junction—7 p. m., Rev. J. H. Erb.

DONE UP.

Aged and Infirm Street Cars Were Unable to Stand the Excitement.

The St. John Railway Co. service went all to pieces last evening, and while the officers of that corporation were heaped high as the night wore on, many hundreds of nickels were certainly lost by the long delay.

There was a case of a worn-out old car—No. 20, a variable pioneer, and a heavy load. The collapse occurred on Prince William street, and for a long while there were cars to burn—on that same street. When another old car, which was the break-down to the sheds, the long procession wended its way to Indian town and back. The crowd, good and bad, waited at last, and it was an hour before any kind of a schedule was re-commenced.

The next morning travelled among the cars that 30 had gone back to the hospital, and No. 28, another old veteran, grew envious and longed to have a short rest. Unable to break any of its old wires, it jumped the tracks at the corner of Mecklenburg and went worth streets. Car after car drew up on both sides until over a dozen were stalled. Hundreds of passengers who had paid their fares preferred to wait rather than to wait until the line was cleared. This was not the last seen of the old veteran, however. When the exhibition was about over and thousands of people were piling up Sydney street looking for cars, the only one in sight was 28; but again she was stationary, this time suffering from a broken axle.

ST. JOHN CITY RIFLE CLUB.

The St. John City Rifle Club will hold their second annual merchants' match on the range (weather permitted) on Wednesday next, 21st inst., beginning at 1.30 p. m. sharp.

The merchants and other leading citizens have presented the club with a large variety of costly prizes for competition among its members, of which due acknowledgment will be made later.

The officers of the club desire that all the members that can possibly do so take part in this match, and thus show their appreciation of the generosity of the donors of the prize list. All members in good standing are eligible to take part, and the prize list has been arranged so that all the members will be treated on even terms. New shots will be classed together and prizes equal in value and quantity will be set aside for that class.

HALIFAX, N. S., Sept. 19.—A trotting horse was accidentally killed at the plant wharf this afternoon. The horse, said to be valued at \$800, had been sold by M. Gardner of Amherst to Barrington people, and was being shipped on the steamer Seaside. Going up the gangway, the animal slipped and fell over the edge of the gangway, down onto the fender below, breaking his back.

PROVINCIAL MEN FAIL.

Townsend-Downey Concern May Be Sold by Auction.

BOSTON, Sept. 19.—Trustee Henry E. Ide of the Townsend-Downey ship-building company, New York, has applied to the United States district court for permission to sell the property at bankruptcy sale. Messrs. Townsend and Downey were formerly residents of the provinces, one a New Brunswick, and the other from Minnie, N. S. The Bath, Me., Iron Works and Hyde Windlass Co., of Bath, are to be sold under foreclosure proceedings today. The Fore River Ship and Engine Co., of Quincy, which is constructing several war vessels, was sold under foreclosure recently. A number of other ship-building plants in the east, most of which were in the notorious United States Ship-building Co., now bankrupt, have been sold under the hammer.

BATH, Me., Sept. 19.—The Bath Iron Works and the Hyde Windlass Works, the local property of the United States Shipbuilding Co., were sold here today by order of a decree entered in the United States district court for New Jersey, June 30th last.

The property was secured for the reorganization committee, represented by Frances D. Pollock, at the lowest acceptable prices. Mr. Pollock's bids were the only ones made. The plants were sold separately.

For the Hyde Windlass Works his bid was \$115,000, for the real property and \$100,000 for the personal property. For the Bath Iron Works the bids were for the real property \$300,000 and for the personal property, \$40,000.

JACOB V. MERSEAU.

Died at His Home at Rusagornish on Friday.

FREDERICTON JUNCTION, Sept. 19.—On Friday night last, Jacob V. Merseau of Rusagornish, after an acute illness of one week, Mr. Merseau was five years of age at the time of the Miramichi fire. He lost a younger sister and brother in that awful conflagration, and he carried to his grave scars received on the fatal day. He leaves one son and three daughters.

Jacob V. Merseau was well and favorably known all over Sunbury as a type of the honest, upright country farmer. He was a Free Baptist, and of whom are now left. His word was as good as his bond, and his aim was ever to do right. He was a true patriot in religion and a conservative in politics.

The largely attended funeral of the deceased, which was held on Friday, the service was conducted by Revs. J. B. Dargatzis and O. N. Mott.

AND NOW HE WILL DIE.

Hogue, Who Killed His Wife When She Refused to Give Him Money, Has Been Sentenced.

MONTREAL, Sept. 19.—Magistrate Hogue was today found guilty of the murder of his wife and sentenced to be hanged on Nov. 15th. Hogue was a drunkard and lived on the earnings of his wife. One night last March he came home drunk and demanded money from his wife. She refused and he cut her throat, afterwards boasting of his act to neighbors living in the next room.

MR. SEARING'S VISIT.

On Thursday next Rev. Stanley Searing of Boston, diocesan missionary to the deaf mutes of Massachusetts, and Rhode Island, will commence a mission among the deaf mutes of St. John in St. James' church. Mr. Searing learned the deaf mute language when young, and later became much interested in a deaf mute boy. This interested him in the work and he took a Bible class at Saratoga. When a curate in Boston he founded a deaf mute society and began to minister to them. His communication list now numbers forty.

Mrs. Searing is a lady who came from Nova Scotia and they have two children, both perfectly normal. In St. John Mr. Searing will hold meetings for the deaf mutes on Thursday, Friday, Monday and Tuesday evenings next, and a service on Sunday at 4 p. m. On Sunday the hearing of the deaf mutes will be held.

Mr. Searing is solely interested in the spiritual welfare of his people and has no connection with any particular school or anything of that kind.

THE DIPHTHERIA SCARE.

There has been a considerable amount of diphtheria during the last month, especially in Carleton, and a good deal of alarm has been occasioned, but the epidemic is now considered practically over, no cases having been reported for some days. Altogether there have been fifteen cases, ten of which were on the west side. Six of the board of health cards were removed on Saturday, leaving seven houses still placarded. One of these is at Millville and the rest on the west side.

Only two cases have ended fatally, one on each side of the harbor, and it is thought that all the remaining patients are in a fair way to recovery. Three cases were reported in July and five in August.

OFF FOR OXFORD.

Chester Martin, the Rhodes' scholar from New Brunswick, and Wm. Pugsley, Jr., will leave today for Montreal, where they will take passage for England to attend Oxford colleges. Mr. Martin will enter the famous Balliol College, while Mr. Pugsley will study law at one of the colleges.

"There are worse pains than those of want"—those of toothache, for example. And what good dentists do for ailing teeth, what a do, do for human wants—all these.

TRADES AND LABOR.

President Flett Condemned the Action of the Government

And Made Some Pointed Remarks on the Idea of Nationalization of Labor.

MONTREAL, Sept. 19.—The Dominion Trades and Labor Congress opened its session here today with about 150 delegates. In attendance, President Flett was in the chair.

The morning session was mostly occupied in receiving addresses of welcome from Mayor Laporte and local labor organizations.

At the afternoon session, President Flett delivered his annual address. In it he referred to legislation introduced at the last session of parliament and condemned the government for not having kept its promise to give a day for the discussion of Ralph Smith's union label bill.

Referring to Mulock's alien labor bill, he declared it was not brought down until late in the session and met its death at the hands of the senate by design and malice aforethought.

He pointed out the necessity of having larger labor representation in the house of commons, and urged unionists to only support those candidates who will promise support for labor legislation. He declared that something must be done to prevent undesirable immigration.

Discussing the nationalization of labor, Mr. Flett said: "The strike at Sydney this summer demonstrates in a forcible manner the foolishness of the cry for national union labor made by opponents of labor and others. The fact of the Steel Workers' Union in that city being purely a provincial organization did not enable them to resist any more consideration at the hands of the capitalists operating works, nor prevent them from joining the militia, when asked for the restoration of wages to that formerly paid, nor the fact of the government paying handsome bounties of many dollars per ton on the output."

"This should be an object lesson to those who advocate nationalization, that capital knows no nationality or boundary line when employing labor."

In conclusion he asked that fewer resolutions be brought before congress and more time given to their proper consideration.
