PLEASANT AFFAIR AT EVERY DAY CLUB

There was a large attendance of ladies and gentlemen at the Every Day Club ball last evening when the medals and prizes for the Victoria day sports were presented. Lemerton of Dartmouth, Oggey of Hampton and Orr were not present, but graceful references were made to them. Lemerton, whose capture of the two-mile run while he was suffering severely from a sprained ankle, was one of the features of the day on May 21st. A. W. Covey, who won the 100 yards special from Boydard, and who has joined the Every Day Club, was given a most hearty reception when his medal was presented. The most hearty applause greeted Garnett, Kiley, Stirling, Dumson, Brown, Green, Merritt, Dummer, Willis, Maraden, McEachern and Cunningham as they advanced to receive their trophies. All but two of these got two prizes each, and Garnett and Kiley each got three. The medals were handsome ones, and all the prizes valuable.

A. M. Belding occupied the chair and spoke of the Every Day Club's efforts to encourage baseball, football, cricket, aquatic contests and athletic sports in general, and to the fact that another series of sports will be held on June 21st.

J. N. Harvey, who is president of the St. John Baseball League as well as a member of the club, was asked to present the prizes. He did so in a very pleasing manner, and made fitting reference to the fine, gentlemanly manner in which the sports were conducted, and the competitors bore themselves throughout the day. He congratulated the club on what it has done and is doing in the interest of clean sport. Reference was made to the kindness of those who contributed prizes.

The club's fine and dandy band was present in uniform and played a series of selections in fine style. It was heartily applauded by the audience.

KILLED HIMSELF WHILE BRIDE WAITED FOR HIM AT THE ALTAR

WINNIPEG, June 4.—Leaving a note saying he was "going to shuffle off this mortal coil" and that he was "unworthy of Jennie," Alexander Scott, a young foreman in the Winnipeg Paint and Glass Company cut his throat about 8 o'clock last evening, while his bride, Jennie Sullivan, was waiting for him at the altar. The discovery was made by the bride's brother and groomsmen, who went to the bridegroom's house and found him dead.

SAYS HE WASN'T RESPONSIBLE FOR LOSS

OTTAWA, June 4.—A peculiar situation has arisen in connection with the transfer of the command of the Second Field Battery, Ottawa, from Major Bertschinger to Major MacLaren. The former has declined to hand over the books of the corps to the new commanding officer, although ordered to do so by the militia department. Major Bertschinger is charged with certain shortages in equipment to the amount of between \$350 and \$400, for which he claims he is not responsible. The missing articles, he says, were lost at the time of the big Street of Paris bazaar, held in the armories here last fall, and the major says that he is in no way responsible for their disappearance. In view of the fact that a caretaker was placed in charge, over whom he had no control, the militia department has handed the matter over to the justice department, and it is understood a test case will be argued.

ARTILLERY MAKES FINE APPEARANCE

First March-Out Last Evening

Lieut. Col. Baxter Congratulates Men on Their Appearance

The march out of the 3rd New Brunswick Artillery last evening in every way reflected great credit on the officers and men of the regiment. Although the first of the season last night's turnout showed a very high percentage of the gunners on parade. The appearance of the corps was excellent and was favorably commented upon by the spectators, many hundreds of whom lined the streets along the line of march.

Although the greater part of the drill of the artillery is upon the four-point system, the 3rd Regiment as infantry showed up well. The artillerymen marched well and acquitted themselves well when put through some movements on King street last by Lt. Col. Baxter.

The band of the regiment was out almost at full strength. Its members wore the new cap of naval pattern that is being issued to the Canadian militia. In the case of the artillery it is of blue with a red band.

The three batteries composing the regiment after parading at their respective headquarters in the city, Carleton and North End assembled at Race's Point at 8:45. At half-past eight the regiment marched off, the commanding officer, Lt. Col. J. B. M. Baxter and the adjutant, Major B. R. Armstrong, riding at its head. The corps marched along Prince William street in four to King street, where it proceeded in column of half companies.

The route was then along Charlotte street, the south side of King street and Sydney street to King street east, where the regiment was halted and formed into line. After a short rest Col. Baxter put the corps through some movements. The march was then resumed by way of Sydney, Union, Brunswick, Richmond, Watkinson, Corcoran and Charlotte streets, the north side of Queen square, Sydney street, Queen's West, St. James and Carleton streets to the drill hall.

The large crowd which had followed the artillery on its march through the city, closed at having the drill hall doors shut in its face, and showed its displeasure by breaking the lock of the smaller door.

Inside the drill hall the regiment was complimented by the men on their creditable appearance and particularly on the large percentage of men in uniform. It was pointed out that it had been intended to present to Capt. J. T. McGowan and the six men who won the Lansdowne cup last year the badge given by the National Artillery Association. It was decided to postpone the presentation until the next year, when it will probably be made by Col. G. Rolt White, D. O. C. at the brigade camp.

At the drill hall the parade broke up. No. 1 battery going to its army and Lansdowne cup last year the badge headed by the band.

WILL BE LARGEST EVER HELD THERE

It is expected that the militia estimates will be passed by the parliament today. If the estimates are passed immediately word will be sent to the headquarters of the 3rd Battalion, No. 4, which are in this city, that the annual brigade camp at Sussex will not be postponed but will be held on the dates ordered, June 25-July 4.

Preparations for the camp, however, have gone steadily on in spite of any uncertainty concerning the dates. This year's brigade camp at Sussex will be the largest ever held there, there being more men under canvas than have before been drawn from the 3rd Battalion, No. 4, which is now at St. John to Moncton at too late a date for the corps to get to Sussex. It trained, however, in September at its headquarters.

A new idea which will be put into practice at Sussex this year for the first time is that of using incinerators for the disposal of the refuse of the camp. The incinerators in which the refuse will be burned will be built by the Army Medical Corps and will be used under their direction. In the past rubbish has been collected by fatigue parties and deposited a considerable distance from the lines of tents. To do this has cost labor and kept quite a number of men from drill. Under the new system things will be different.

One of the series of lectures recently given in the Field Ambulance Unit Armory by Lieut.-Colonel M. MacLaren on Camp Sanitation, dealt entirely with the subject of camp incinerators.

It has been suggested that camp stoves be issued to the troops at Sussex, but it is understood that many of the cooks of the various corps have a preference for open fires and stoves will not be used, this year at least.

WHYTE-KEATING. CHATHAM, N. B. June 4.—The marriage of John C. Whyte and Miss Margaret Keating, daughter of the late Thomas Keating, took place Wednesday morning at 10 o'clock. Rev. Father O'Keefe officiated, and the ceremony took place in the pro-cathedral. Miss Nellie Keating was the bridesmaid, and Edward A. Barry supported the groom. The bride looked very charming in a gown of white silk and white hat, and her sister was very becomingly dressed in white silk and hat of pale blue. Mr. and Mrs. Whyte left on the accommodation for a short wedding trip.

REFERRED TO CHURCH UNION

Assembly Urged to Give it Thought

Interesting Addresses Heard Yesterday and Reports Considered

WINNIPEG, June 4.—Exchanges of felicitations, the hearing reports from colleges and the considering of the review of home mission work, occupied the attention of the Presbyterian General Assembly today, and much important business was transacted.

The reading of a letter of resignation from Dr. MacLaren, the reverend principal of Knox College, provoked a demonstration of assembly loyalty and devotion to the aged educator, who for thirty-five years has assisted actively in opening young men for the Christian ministry, and the leaders gathered joined in spontaneous tributes to his great qualities of mind and heart.

The entire evening session was devoted to the report of home missions, western section, and addresses by Dr. E. D. McLaren, secretary, and Dr. John Pringle and A. S. Grant, missionary from the Yukon, caused great enthusiasm.

Devotional exercises occupied a large portion of the morning session and the business was principally routine. Applications for thirty-one ministers of other churches who desired to be taken into the ministry of the Presbyterian church, were considered, and a committee appointed to consider them. Several other applications were referred to special committees.

Mayor Ashdown at the opening of the afternoon session extended the commissioners a hearty welcome to the city, and expressed the opinion that important results would flow from the present meeting.

Dr. Duval, on behalf of the assembly, replied fittingly. Rev. Dr. Ross and A. M. Atkinson, Winnipeg, brought greetings from a special committee of the general conference of the Methodist church. Naturally the question of church union was mentioned during the addresses, and strong hope uttered by both speakers that careful thought would be given consideration of the subject.

The committee of which Rev. E. D. McLaren, D. O. C., Toronto is convenor planned at the beginning of the last church year for an expenditure of \$17,000, but owing to a financial depression combined to make it unlikely that this appeal would meet with favorable response. The receipts for the preceding year, were \$12,426.

The home mission committee, eastern section, Rev. S. Sutherland, Halifax, convenor which has the oversight of New Brunswick Nova Scotia Prince Edward Island, Newfoundland, also of the work on the coast of Quebec and Labrador and part of the state of Maine, reported a total of \$10,018 for the past year besides \$4,004.42 for the Northwest. The number of ordained ministers is eighteen. Grants aggregating \$5,493.87 were received by the congregations from the home mission funds.

Receipts for the year for home missions, east and west, excluding a credit balance of \$7,724.84 on March 1, 1937, were \$18,937.22 and as the amount was \$1,943.91 more than the amount received during the preceding year, it was sufficient to meet the expenditures of the year in the east, which expenditure amounted to \$11,967.75, to enable the treasurer to remit \$4,969.42 to western treasurer for missions in the Northwest, to pay \$225 in account of the New Brunswick churches, and to grant, arriving at Halifax and Saint John, and to add \$17,017 to the credit balance, making it on March 1, 1938, \$34,440.

Frank Saunders, or Constantino, as his name is in Italian, has made it all up with George Merriss, the Greek whom he bumped on the head with a rock on the night of May 19. The reconciliation took place in the police court yesterday afternoon and was very hearty on the part of Saunders. Merriss, very likely, thinking of his sore head, was not quite so enthusiastic. Saunders, however, was overjoyed with the knowledge that he was not to be sent to jail for assaulting the Greek, and after calling down the blessing of heaven on the head of the magistrate and after shaking hands with the Greek, he threw his arms about him and planted a resounding kiss on the Greek's cheek.

After the inspection of St. Luke's cadet corps was held last evening, it was conducted by Lieut. Col. G. Rolt White, D. O. C., and Col. Ogilvie. The boys were put through company drill, the physical drill and gave an exhibition of manual and firing exercises. Colonel White expressed himself as satisfied with the efficiency of the members.

There were many ladies and gentlemen present, and all enjoyed the evening greatly. After the inspection Corporals Daley and Hively were promoted to sergeant. All the members then set down to an excellent supper, at which Captain Davy presided. The officers of the cadets are Captain A. E. Day and Lieutenants Howe and Frink.
