Personal.

Rev. Dr. Manning of the F. M. Board went to Amherst on Saturday to supply the pulpit in the absence of Pastor Bates, who spent the day at Carleton assisting Pastor Nobles in Anniversary exercises. Mr. Bates lectured in Carleton to a highly appreciative audience on Friday evening, and lectures on Monday evening at Moncton.

Rev. J. D. Freeman, of Germain street, St. John, and Rev. D. Hutchinson, of Moncton, exchanged pulpits on Sunday last. The Germain St. congregation seemed much pleased to make Mr. Hutchinson's acquaintance and expressions of appreciation of his sermons were heard on every hand.

Rev. C. W. Townsend, formerly pastor at Hillsboro, who with his family has been spending the winter in England, has again returned to Canadian soil, and has we learn accepted a call to the pastorate of the St. Martins church. Mr. Townsend is a man of much ability and scholarship, with exceptional pulpit gifts. We trust that he may be very happy upon his new field of labor and that large blessing may attend his ministry.

THE QUESTION IS

What to do? It is not a pleasant sensation—that first certain knowledge that one has consumption. Nor is it a happy announcement for one's family and friends. But it is no time for sentiment. You can't begin right treatment too soon.

Fresh air and Scott's Emulsion! That's a good beginning. That treatment alone has cured many cases of consumption. It is always a help.

You must not lose weight. Scott's Emulsion keeps the body in good flesh and has a special action on the lungs. Take it in time.

We'll send you a little to try if you like.

Notice to Churches and Pastors.

At our last Home Mission Board Meeting, April 14th, after filling applications and supplying vacant mission fields as best we could, we found that we had the names of several worthy young brethren left on our list, who desire to work for the Master. Now if any of our churches would like the services of one of these brethren or any of our over-worked pastors would like an assistant for the summer vacation, please apply at once to the Board. Our young brothers want to work for the Master and they want the temporal remuneration. Such work brings to help them in obtaining their education. Let the churches and pastors come to their assistance.

At the Home Mission Board meeting convened in Yarmouth Sept. 10, a provisional committee of the Board was appointed to take charge of the work hitherto carried on by Bro. Cohoon, until such time as his successor could be obtained or a permanent satisfactory disposition of his work be arranged. Correspondence upon all Home Mission questions should be addressed to me during this provisional arrangement. Any correspondence forwarded to me, will be immediately submitted to the members of the committee.

P. S.—I would like it to be understood that I have nothing whatever to do with the finances of Home Missions. Do not send any money to me, but to A. Cohoon, Wolfville, N. S. who is still Treasurer of Denominational Funds for Nova Scotia, and he will see that the Home Mission portion reaches our Treasurer in due time. This will save trouble and prevent mistakes.

A bad feeling has existed for some time between the directors and a majority of the stockholders of Chatham, Ont., Binder Twine Co., and Saturday the shareholders forcibly removed the president from the chair and put one of their number in his place. Things were very lively for a time. The secretary of the company was fired bodily from the meeting.

Speaking in London, Wednesday, Rear Admiral Lord Charles Beresford, M. P., said he regarded the shipping combine with the most serious misgivings. He advocated subsidizing a British combine and a recourse to the Canadian route as the best step for the government to adopt.

The Nawab of Bawalpur arrived at Bombay, Wednesday, by steamer from Karachi, in the province of Sind, on his way to attend the coronation of King Edward. This is the Nawab's first sea voyage, and he is trying to cancel his engagement to proceed to London because his passage from Karachi was so rough that he shrinks from further sea travel.

All the Boer delegates are now assembled at Vereeniging, Transvaal Colony. The voting will be by ballot. During the deliberations at Vereeniging, Lord Kitchener has guaranteed immunity from attack to all commandos whose leaders are participating in the conference.

Joseph Chamberlain, in a speech at Birmingham, Friday, said the government had never insisted on the unconditional surrender of the Boers, but that it did insist that the lines of its policy should be settled for all time. The country must remember, he said, that it owed something to its self-governing colonies, to the men who had died and to the Boers who had taken the oath of allegiance, and that there must never be a chance for a renewal of the conflict.

The eight aqueducts of ancient Rome brought 40,000,000 gallons of water a day into the city. Had the Romans been aware that water always rises to its own level, these huge erections on arches seventy feet high need never have been built.
