MARATHONS AND WOODSTOCK THE WINNERS YESTERDAY

There was only a fair crowd of people on the Marathon grounds yesterday afternoon when in a fine game of ball theMarathons managed to defeat Houlton by a score of 4 to 2.

Winkler was the pitcher for the Marathons and he proved a puzzle for the Maine players as he was only found for three singles and a double.

Scanlon was the Houlton twirler and the Greeks hit him for eight safe hits for a total of eleven bases. Winkler was hit by a pitched ball and Hammond gave seven men bases on balls while Winkler passed six.

In addition to the two men who scored Houlton only got two men as far as third, and four men as far the second base.

The Marathons in addition to the four men who scored got four men to third and four others as far as second base. A feature of the game was a beautiful running catch by Fraser in the seventh inning, retiring the side and preventing Houlton from making a run.

In the first inning O'Brien drew a base on balls. Winter beat out a bunt to pitcher. Fraser sacrificed pitcher to first. Pinkerton hit a sacrifice fly to right field and O'Brien scored. O'Donnell struck out.

In the second inning Dutton went out short to first. McGovern drew a base on balls and scored when Riley hit to left field for two bases. Winkler went out short to first and Riley reached third. O'Brien drew a base on balls and stole second. Winter got a base on balls and with the bases full Fraser flied out to Johnson in centre.

Both teams were blanked in the third inning.

In the fourth Riley again hit to left for two bases and scored wehn Winkler singled to centre. O'Brien flied out to left. Winter flied out to centre. Fraser singled to left and Pinkerton flied out to Hammond at second.

Houlton made their first run in the fifth inning. Neptune got a base on balls and went to second on Johnson's single to centre and then to third on Iott flying out to centre. Neptune scored when Hughes hit to centre for two bases. Watt fouled out to Winter at third and retired the side.

There was no scoring in the sixth inning while the Marathons made their fourth run in the seventh inning. Fraser singled to left. Pinkerton sacrificed to first. O'Donnell went out third to first while Fraser went to third on balls. Iott muffed a ball that was thrown rather high to him andFraser scored. Riley flied out to short and retired the side. In the eighth inning Houlton gained their second and last run. Watt hit to Winkler who threw badly to first and runner romped to third. McElwee singled to short. Hammond hit a sacrifice fly to centre and Watt scored. Finnimore and Scanlon hit out to the infield. he first threTe men up for Houlton in the last inning were retired quickly and the gams was over.

WOODSTOCK, 8; FREDERICTON, 3.

Special to The Standard.

Fredericton, Sept. 3.—Woodstock took a fall out of the league leaders here today beating Fredericton by a score of 8 to 3.

The game only went six innings, a time limit being agreed upon so that the Woodstock club could catch the Gibson branch train for home.

Woodstock hit the ball hard, while Delano usually an easy mark for the Pets, was in good form, and was not hit nearly so hard as were Sharkey and Harrington. The Fredericton pitchers were also given loose support. Johnny Murray's throwing to the bases being away off.

Sharkey started to do the pitching for the Pets, and he was hit safely four times in the first inning, which with a sacrifice and a base on balls, netted four runs. Bob Conley's error in that inning not figuring in the scoring. Fredericton got three runs in the third inning, and Harrington was called on to bat for Sharkey.

Murray was on second base and Wildes on first, with two strikes and three balls on the batter when Murray foolishly tried to steal third and was caught, thus nipping in the bud what looked like a good chance for Fredericton to at least tie the score, as Harrington had Delano in a hole.

Fredericton looked to have a chance however, up to the sixth inning. Then Lamorey opened with a double. Callahan followed with a single, and Duff's hit to right field drove Lamorey over the plate, Callahan reaching third. Duff started for second and Murray's throw went to centre field, Callahan scoring, and Duff reaching third. Doherty popped a foul fly to Hoyt and Delano hit to left field for two bases, and Duff scored. Wildes got Black's fly, but Ramsey slipped up on Williams' grounder and Delano scored. Williams was caught stealing and the inning ended.

Fredericton goes to Houlton tomorrow to play a double header and the Reds will be here on Thursday for the final league game, at Scully Grove.

ENGLAND AND STATES ARE EVEN

Huntingdon, N. Y., Sept. 2.—(Bulletin)—One of the two British challengers won the second race of the series for the Harmsworth International Motor Boat trophy this afternoon, covering the thirty mile course in 1.08, 25. This gives England one race and the United States one and will necessitate another contest to determine the series. In today's race Mona, the other British challenger, was second; Ankle Deep, an American boat, third, and Baby Reliance III, fourth.

TORONTO CRICKET CHAMPIONS

Toronto, Sept. 3.—Winnipeg Wanderers failed to lift the John Ross Robertson cup fro mthe holders, the Toronto Cricket Club, the two days' match ending in a victory for the local team by 135 runs. Toronto made 124 in its first innings on Monday and in its second innings today made 155, a total of 279 runs.

Winnipeg's first innings on Monday netted the visitors 59 runs, and today they did somewhat better, making 85 in the second innings, a total of 144.

HAINES-GREER RACE POSTPONED

Boston, Mass., Sept. 3.—William Haines, coach of the Union Boat Club, and Frank Greer, of East Boston, ex-amateur national sculling champion of America, did not row their match race for $1000 and the city of Boston cup, on the Charles river yesterday.

Because of rough water, which prevailed in the basin from noon until after 5.30 yesterday, it was decided to postpone the race until next Saturday afternoon at 2.

Both men were disappointed because of their inability to settle the question of superiority, and so were the 15,000 persons who had waited after the completion of the programme of the amateur oarsmen, expecting to see the race.
