ALBERTA LEGISLATURE

IS PROROGUED.

Edmonton, Alta., April 6.—The Alberta legislature prorogued yesterday.

She Praises Them For She Found Them Good

What Mde. Tremblay Says of Dodd's Kidney Pills.

She had Bad Kidneys, She Took Dodd's Kidney Pills, and They Brought Health and Cheerfulness.

Tremblay Settlement, Gloucester Co., N. B., April 6th (Special).—Every corner of Quebec has some one ready to tell of splendid results secured from the use of Dodd's Kidney Pills. In their thirty years of relief work among the sufferers from sick kidneys they have made friends everywhere. Mde. Pierre Tremblay, of this place, is one of them.

"I praise Dodd's Kidney Pills," she says, "because I have found them good. I had bad kidneys. I took Dodd's Kidney Pills and they cured me. I think Dodd's Kidney Pills are the best of all kidney remedies."

The reason so many people so cheerfully bear testimony to the benefit they have received from Dodd's Kidney Pills is that they make a person healthy all over.

Dodd's Kidney Pills make healthy kidneys. Healthy kidneys strain all the impurities, all the seeds of disease, out of the blood. With pure blood coursing through the body every part of it finds energy and cheerfulness.

SUCCESSFUL SPECIAL SERVICES.

Special services have been held in German street United Baptist church each evening except Saturday for the past fortnight and great success has crowned the pastor's efforts.

In spite of the many stormy evenings there has been an average attendance of over 140 and at some of the meetings over 200 were present.

Rev. Mr. Poole has for some time been plainly and clearly presenting the advantages of the Christian life and although only a few weeks ago seven were added to the church membership through baptism others have been led through these meetings to accept their Master and will be baptized at the morning service tomorrow.

Louise Huff Makes First Appearance in a Pallas Picture.

The first production in which Louise Huff will appear upon the

Paramount programme since leaving the Famous Players studio for the Pacific Coast will be "The Lonesome Chap" in which she will co-star with House Peters. The production comes from the Pallas studio, where Miss Huff has been busily engaged ever since she departed for the west several weeks ago, and is scheduled for release by Paramount on April 19th.

NOW IS THE TIME

for general spring housecleaning; it is also the right time for a general cleaning out of the system to remove accumulated poisons, waste matter, toxins, etc., which are the source of stomach and bowel ailments, rheumatism, gout, etc. For this purpose nothing equals the regular use of

"RIGA"

Saline Water, Aperient, Laxative or Purgative According to Dose.

Riga Water cleans up, cleans out, and keeps clean the whole alimentary canal and thereby insures good health and increased efficiency. It does not grip, nauseate nor weaken. Try it.

MAN IS AS OLD AS HIS ARTERIES

THE failure of the arteries is one of the tragedies of modern life. Men in the very prime of life, and in the midst of business activities, are suddenly cut off. In many cases the blow comes before they realize their condition.

And what is the cause? Most usually overeating and drinking, combined with too little bodily exercise. The blood becomes overloaded with poisons. The kidneys break down in an effort to filter the blood, degeneration of the arteries takes place, an artery in the brain bursts, a clot is formed and paralysis results. Or it may be an artery in the heart that gives way and causes heart failure.

And how is this condition to be avoided? By moderation in eating and drinking, and by keeping the liver, kidneys and bowels regular and active. If you do not get sufficient exercise to accomplish this, it is necessary to use such treatment as Dr. Chase's Kidney-Liver Pills. It is only by the action of these organs that the blood can be purified and the poisons removed from the system. In using

Dr. Chase's Kidney-Liver Pills

you are not making any experiment, for they have no equal as a means of awakening the liver, kidneys and bowels to healthful activity. They prevent such serious troubles as hardening of the arteries, and thereby promote comfort and health and prolong life.

One pill a dose, 50 cents a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations disappoint.

"OUR COMMUNITY'S WEALTH AND POWER"

The future of our city depends upon our industrial growth. Our permanent prosperity and continued progress depend upon our home industrial establishments. It is a striking fact, but a true one, that industry alone can build a city. Cities have tried every other means and failed. Some have spent thousands of dollars in advertising various other claims—without result. People are delighted, of course, to know "Life is really worth living" in this city or in that city with its beautiful parks, its wonderful drives and all those other features so long and fruitlessly enumerated in appeals to the aesthetics of humanity. But humanity itself has found that life is too easily shortened by hunger, misery and want in those same cities if no employment is found to sustain the people.

We must boost everlastingly and undividely if we are to turn our dreams of a greater city into the solid iron and granite of established fact. This city needs and is big enough to demand the whole devotion of all its citizens. "Made at Home" is a good enough slogan for any buyer in this or any other market.

Remember that every dollar spent for an article of local production contributes to the prosperity and growth of our city.
