The first more are specified bonds of this company, which, after full investigation, we strongly recommend as a reliable and unusually profitable investment, and which now stand among the solid and favorits securities of the country, have the following leading features; 1. They are exempt from United States tax; the Principal and Interest are payable in gold—the principal in 30 years, and the interest semi-<br>annually at the rate of 73-10 per cent. per annum, Denominations, from \$100 to \$10,000, Present selling price—par and accrued interest in United States currency at present rate of gold (109) these bonds yield 8 per cent gold interest.<br>2. The bonds are a first and only Mertgage on the Road, its Equipments and Earnings, and also on a Land Grant which on the completion of the Road will average 23,000 acres to each mile of track.<br>3. They are at all times receivable at 10 per cent, premium (1.10), in payment or exchange for the Company's Land at market prices—a provision which practically gives the holder the pound to be devoted by the Trustees of the bondhold rs, (Messrs. Jay Coeke and J. Edgar Thompson), as a Sinking Fund to the purchase and cancellation of the first mortgage bonds, or temporarily to the payments of interest thereon if fixed policy of the Government to call in its 5-20s and substitute a "low interest bond,— \$140,000,000 having been called in for cancellation since September 1st—many holders of 5-20s are exchanging them for Northern Pacifics, thus adding to their principal to be the index of the price set bond, and increasing their principal to the price set bond, and the prices of the second set and the action of the first mortgage bonds, or temporarily to the payments of interest thereon if necesary.   | which are old established and<br>wealthy Marine Corporations, and<br>write Policies upon Hulls, Cargoes<br>and Freights to all parts of the<br>world.<br>Ordinary Life Policies, Endow-<br>ments, and all other desirable<br>forms of Life Insurance, on the<br>purely mutual plan, granted by<br>The New York Life Insurance<br>Company, established in 1845.—<br>Assets about \$20,000,000.<br>The undersigned has full power<br>to Insure all classes of Fire ha-<br>zards, and represents The Impe-<br>rial of London, Ætna of Hartford,<br>and Hartford of ditto, all of which<br>are exclusively Fire Insurance<br>Companies of upwards of Fifty<br>Years standing, possessing Large<br>Capitals and Accumulated Funds.<br>Full deposits at Ottawa. The first molecular<br>bonds of this company, which, after full investi-<br>gation, we strongly recommend as a reliable and<br>unusually profitable investment, and which now<br>stand among the solid and favorits securities of<br>the country, have the following leading features;<br>1. They are exempt from United States tax;<br>the Principal and Interest are payable in gold-<br>the principal in 30 years, and the interest semi-<br>annually at the rate of 73-10 per cent. per<br>annum, Denominations, from \$100 to \$10,000.<br>Present selling price-par and accrued interest<br>in United States currency at present rate of<br>gold (109) these bonds yield 8 per cent gold<br>interest.<br>2. The bonds are a first and only Mertgage<br>on the Road, its Equipments and Earnings, and<br>also on a Land Grant which on the completion<br>of the Road will average 23,000 acres to each<br>mile of track.<br>3. They are at all times receivable at 10 per<br>cent, premium (1.10), in payment or exchange<br>for the Company's Land at market prices-a<br>provision which practically gives the holder the<br>power of foreclosure at will.<br>4. The proceeds of all sales of Land are re-<br>quired to be devoted by the Trustees of the<br>bondhold 'rs, (Messrs. Jay Coeke and J. Edgar<br>Thompson), as a Sinking Fund to the purchase<br>and cancellation of the first mortgage bonds, or<br>temporarily to the payments of interest thereon<br>if necesvary.<br><i>Exchanging</i> 5-20s. In view of the ability and<br>fixed policy of the Government to call in its<br>5-20s and substitute a _low-interest bond,<br>5-20s are exchanging them for Northern Pa-<br>cifies, thus adding to their principal the presents<br>their yearly interest income nearly one third.<br>All marketable stocks and bonds will be<br>received at current prices in exchange for<br>Northern Pacific Seven-Thirties without ex-<br>pense to the investor.<br>JAY COOKE & CO.<br>PHILADELPHIA, New YORK, AND WABHINGTON,<br><i>Ficancial Acents Northern Pacific Railroad</i> .  | which are old established and<br>wealthy Marine Corporations, and<br>write Policies upon Hulls, Cargoes<br>and Freights to all parts of the<br>world.<br>Ordinary Life Policies, Endow-<br>ments, and all other desirable<br>forms of Life Insurance, on the<br>purely mutual plan, granted by<br>The New York Life Insurance<br>Company, established in 1845.—<br>Assets about \$20,000,000.<br>The undersigned has full power<br>to Insure all classes of Fire ha-<br>zards, and represents The Impe-<br>rial of London, Ætna of Hartford,<br>and Hartford of ditto, all of which<br>are exclusively Fire Insurance<br>Companies of upwards of Fifty<br>Years standing, possessing Large<br>Capitals and Accumulated Funds.<br>Full deposits at Ottawa. Current<br>rates accepted.<br><b>EDERET MAREMALL,</b><br>Jan 6 tf. GENERAL AGENT.  |
