THE TURTLE.

Down King street once I wandered, while before me there meandered
A beast with curious action that I'd noticed not before;
And I watched it gaily flitting, as hither it came skipping,
Like a stone upon the waters, near proud Oromocto's shore,
"Tis young 'Bolivar' or 'Shellbark' sporting on the pebbly shore;
This it is, and nothing more."

And then there came a tapping, like unto a wild beast's snapping,
Or like a dragon dancing on a stalwart oaken floor,—
Cutting quaint and curious capers worthy notice in the papers;
And I halted at the *druggist's on King street, twenty-four,—
And pushing back the crowd, glanced meekly through the door.
And saw—†a turtle—nothing more.

And while the crowd was standing, a man came in demanding
A vial of QUAKER BITTERS—such as he had before;—
"I want it made by Shakers, a select tribe of the Quakers.
To cure an ‡eye ball painful and a torpid system sore—
Dyspepsia, cramp and ague, and pains and aches a score—
Only these and nothing more.

"My liver's in disorder, and my stomach's out of order;
I have chills and intermittents, less or more;
My chest is like a §Bank—tight, clammy, cold and dank,
And the gnawing at my vitals is tearing my heart's core.
Have you anything to cure me in your varied stock and store"?—
Quaker Bitters—nothing more.

Then nothing more was spoken, and the silence only broken,
By the movements of the turtle as, in vain, it tried to ‖soar;
And then there came a groaning—a tender plaintive moaning,
And on its back the turtle lay, wildly struggling on the floor;
The man with Quaker Bitters had just turned him slightly o'er—
Only this and nothing more.

EDGAR A. POE.

NOTES, (to be taken up).

§An Opthalmic disease.
‖This allegory has especial reference to the present stringency of the money market.—"Money is tight,"—*old song.*
¶"To soar, to fly, "Would I were a bird," an *ancient ballad.*

Mrs. George Waterbury's

CELEBRATED DINNER PILLS!

A sure remedy for Indigestion, and all bilious and Liver Complaints. Made by her daughter, Mrs. E. H. Lester.

THE above Pills having stood the test over forty years, and being prepared with great care and study, nothing cheap or impure being tolerated in their composition, are perfectly safe to administer to the most delicate constitution. They never reduce the patient; no cessation from business or any unusual change is ever necessary. They never render any one more liable to take cold, containing no dangerous drug, they act as kindly on the tender infant, the most delicate female, and infirm old age, as upon the most vigorous and athletic system, exercising the most healthful influence on the whole system, invigorating the debilitated organs, building up the flagging nervous energies, imparting vigor to body and mind, and bringing every faculty into healthy play.

To Females, from the peculiar affections that attend them when they are arriving at maturity, and also at the decline or "change of life," they are the best remedy and assistant that can be used.

What may seem almost incredible is the astonishing rapidity with which they cure diseases hitherto considered incurable.

Numbers of our first-class families keep them constantly on hand for the various ills of life, and rely on them implicitly.

They are sold with the understanding that they exceed their recommendation, and are the best Household Medicine extant.

For sale at all Drug Stores.
