

8. The roll shall be called, and the minutes of the preceding day read at the opening of each day's session, and the minutes of the last day at the close of the session.

9. The Church in whose locality the annual meeting shall be held shall be requested to celebrate the Lord's Supper in connection with such meeting.

10. On the Monday evening during the sittings of the Union, a public meeting of the Union shall be held.

11. Application shall be made by the Statistical Secretary, one month at least before the annual meeting, for statistics of the several Churches, and a brief narrative of the state of religion among them, that he may prepare a condensed narrative of the whole, for the annual meeting, and for publication, if so ordered.

12. A collection for the funds of the Union shall be made annually in each Church, on or near the Lord's day prior to the meeting. From this source, in addition to the other expenses of the Union, the travelling fares, by the cheapest route, of the ministerial members of the Union, and of one delegate from each Church contributing for the year, shall be paid in full, if possible, and of both delegates as soon as the funds suffice; on the understanding that such payment shall not be made until after the final adjournment, except with the leave of the Union.

13. The delegates from the Union to corresponding bodies, who may fail to fulfil their appointments by personal attendance, shall address those bodies by letter, communicating in substance such information and sentiments as they would furnish if present at their annual convocations.
