The Valley is one of the most prosperous parts of Nova Scotia. Here for the most part, every person seems to have all they desire. The bountiful harvest is looming up large, and people are seeing their way clear to winter all right. Our harvest is scattered over the Valley, and if we can garner it we'll winter too. Who's first?

October 29th—Dominion Election Day. Candidates are getting into the field fast. Mr. Short, Digby and Dr. Lovett, Bear River are the men nominated for this constituency of Annapolis-Digby. The geenral outcome is not very certain for either of the leading parties, on account of the many three-cornered fights that will be pulled in many seats from Quebec west. From close observers the opinion seems, that affairs are getting back to the old style of two parties, and gradually the third party coloring will fade and the men climb back into the fold from whence they came.

The Annapolis Regiment in camp here under command of Col. G. W. Harris, held open air divine service on Sunday, which was conducted by the chaplain, Capt. R. L. Carson, with address by Rev. W. I. Morse of Paradise. The regimental band from Annapolis was in attendance. G. O. C. inspection took place on Tuesday with the band in attendance. On Tuesday evening the band gave a concert on the grounds which was much enjoyed by the soldiers and also the many civilians who availed themselves of the opportunity to hear good band music. The camp marches out today.

Seeing the sights of Nova Scotia is one of the chief delights of Nova Scotians as well as all visitors to the Province. During the month of September everything seems to have a rare beauty that is only evident or at least at its best in this month. Last week a party consisting of the following motored to the east: Mrs. Louis Woodruf, children Francis and Frederick of Arlington Heights, Mass.; Mrs. Hilda Cochrane and sons, Jack and Edward, of Roxbury, Mass.; Mrs. Chas. Phinney, Mrs. Eva Bruce, Mr. C. N. Phillips, and Mr. and Mrs. G. N. Reagh of Middleton. At Granville they called on several friends, and at Annapolis spent the time pleasantly seeing the sights of the Fort. After taking in the sights the party turned to an other source of enjoyment in the form of a Corn Boil at V. A. Leach's restaurant in Annapolis. Mr. and Mrs. Leach are prospering very nicely in their new business, and they did all they could to make the party an enjoyable one while at the restaurant. In all it was an ideal trip enjoyed by every member of the party.

Nearing a Breakdown

A CONDITION THAT CALLS FOR A RELIABLE TONIC

Many women give so much of their time to the cares of their household that they neglect their own health and sometimes reach the verge of a breakdown before they realize that their health is shattered. Often the heart palpitates violently at slight exertion, the stomach fails to digest food and discomfort follows. The nerves become weak and headaches grow more frequent. The body grows weak and they are always depressed. This condition requires immediate treatment with such a reliable tonic as Dr. Williams' Pink Pills which enrich and build up the blood, carrying renewed energy to every part of the body. The value of Dr. Williams' Pink Pills in a rundown condition is proved by the following statement fom Mrs. Alex. McInnes, Bowsman River, Man., who says:—"About a year ago I had a serious illness which left me very anaemic. I was not able to get around to do my work; in fact I could scarcely walk. I was troubled with palpitation of the heart with the least exertion. One day a friend advised me to try Dr. Williams' Pink Pills as they had done her much good. I followed this advice and took the pills for some weeks when I felt as well as ever. I have since been able to attend to all my household duties. The dizziness and palpitation have left me and I bless the day I tried Dr. Williams' Pink Pills. They are just the medicine for those who are weak and rundown."

You can get these pills from any dealer or by mail at 50c. a box from The Dr. Williams' Medicine Co., Brockville, Ont.
