

A Sister's Love.
None can follow the depths of true sisterly love.
"To a mountain as the great vault above."
"To a fountain from which kind words ever flow."
"To a purpose, thought, tested, how far ever known."
Friendship with others long years may make cold.
But the love of a sister can never grow old.
Like the love of a mother it endures the heart.
When obliged forever from her loved ones to part.
The love of a brother, how greatly we prize
The wealth of his love more than all "earth's riches."
How we miss them his presence; his kindness so dear.
Memory lingers sacred, and calls forth the tear.
I was the partner that brought us real sorrow's first
Goads; he told the depths of the love he had found.
It was the affection and its value "will prove."
Aye, parting with brothers tries a fond sister's love.

THIS celebrated Skate has no woods, is
fastened by a patent arrangement of
Brady's (of which our late fellow-townsmen,
A. McMillan, has become the sole proprie-
tor) which renders it remarkably easy on
the foot, and does away with that liability
to cramp often caused by suppressed cir-

scales and specimen Skates (Skates expected
to arrive shortly) can be seen at the Perth
Book Store, where orders will be received
and every information in regard to them
given.
