BLANCHARD—SENECAL

Recorder: At the parsonage on Monday evening, nuptials which united in bonds of wedlock two well known young residents of Leeds county, Mr. Harold B. Blanchard, son of Mr. Frank Blanchard, of Mallorytown, and Miss Nettie V. Senecal, daughter of Mr. and Mrs. Anthony Senecal, of Grenadier Island. The ceremony was performed at nine o'clock, and was extremely quiet, both the bride and groom being unattended. The bride, who is a popular young lady with all her acquaintances, looked neat and smart in a travelling costume of green ladies' cloth with silk shirt waist to match. She also wore a large black hat trimmed with ostrich plumes. The young couple took the midnight train for a honeymoon trip to Toronto and other western cities, returning from which they will take up their residence at Alexandria Bay for the summer. The groom in this event is a medical student at McGill University, having just finished his season's exams. At the conclusion of the holidays he will again resume his studies there. In the vicinity of Mallorytown, his home, he is a general favorite with all classes.

Travelling Swindlers

The Cornwall papers tell of a scheme that a couple of strangers worked there whereby a number of citizens were victimized to the extent of from \$2 to \$5 each. The strangers represented themselves to be travelling salesmen for a Toronto tailoring house making both men's and women's clothing. They had a lot of samples of fine grades of cloth with them, and offered to sell suits and costumes at tempting prices. They took the measure of their victims and were to have the articles made and delivered in the course of a few days. A deposit was of course made in each case and it is stated that the aggregate sum collected in Cornwall amounted to several hundred dollars. After doing a rushing business for a week or so the strangers suddenly disappeared leaving their hotel bills unpaid.

Lawn Tennis Club

The members of the lawn tennis club met on Wednesday evening last to reorganize and discuss business for the coming season. The following officers were elected:—

 Pres.—Rev. R. B. Patterson.
 Vice-Pres.—K. C. Berney.
 Sec.-Treas.—Roy C. Knowlton.
 Com.—D. A. Forneri, Dr. Lillie, Rev. I. N. Beckstedt.
 It is expected a number of young ladies will be among the members this season. The committee are making arrangements to have the grounds fitted up and will lay out two courts. They have every reason to believe the club will be a great success this season. The membership fee is gentle men \$1 and ladies 50c.

Cardinal Local Option

The appeal of Messrs. Dillon and Mahoney, the two Cardinal hotel-keepers, against the decision of Mr. Justice Magee, was settled at Osgoode Hall, Toronto, Thursday, before Chief Justice Falconbridge, Justices Anglin and Britton. Following is their judgment:

Re Dillon and village of Cardinal.—Judgment (oral) on appeal by applicants from order of Magee, J. (5, O. W. R., 653), dismissing application to quash a local option by-law of the village on the ground of irregularities before, at and after the close of the poll, in relation to the taking of the vote of the electors upon the by-law. The court was of the opinion that the judgment was entirely right. Per Falconbridge, C. J., that it was immaterial whether the onus was on the applicants or the respondents under the saving clause, sec. 204 of the Municipal Act, because it was abundantly shown that the irregularities did not affect the election. Appeal dismissed with costs. G. H. Watson, K.C., for appellants, W. E. Middleton for village corporation.

Don't Do It

There are nine ways you can hurt your town. The following are well worth the thoughtful consideration of every citizen:—Oppose improvements, mistrust our public men, run down the town in presence of strangers, go to some other town to do your trading, refuse to advertise in your home paper, be careful to discredit the motives of public spirited men who are working for the interests of the town, lengthen your face when strangers speak of locating here and tell them its the worst place on earth. If a man wants to buy your property charge him two prices for it. It will be the last chance you will have to give the town a dig; refuse to see merit in any scheme that does not benefit you or yours.

The schoolboy was asked to write a composition on Russia, and wrote as follows:—"Rooshy is a country bounded on the north by ice, on the east by trouble, on the south by mobs and on the west by England and Kipling. At the present time the country has cold feet and the impurer has cold chills running down his back and is afraid some one is after him with knives and bombs—they throw lots of bombs in Rooshy."
