

lying in the line of the said works,—to carry the said works across and to intersect any street, lane, road, railroad, or canal,—to erect and maintain all necessary bridges, sewers, drains, and all division fences and all gates, crossings,—and generally to do any matter or thing necessary to carry the said plans into effect.

5

Provision in case the works injuriously affect the Lachine Canal, &c.

III. In case the said plans or the carrying out of the said works shall in any way interfere with or injuriously affect the Lachine Canal or any property or rights vested in Her Majesty, or in the Commissioners of Public Works, for the public uses of the Province, it shall be lawful for the Governor in Council from time to time to make all necessary regulations and orders in respect thereof, and to direct in what manner and at what time the works contemplated by this Act shall be constructed, maintained, or used in so far as they interfere with or injuriously affect the said Canal or other property or rights; and such regulations and directions shall be binding on the said Harbour Commissioners and all others concerned, as if the same had formed part of this Act.

10

15

Map and book of reference to be made and deposited by the Commissioners.

IV. It shall be the duty of the said Harbour Commissioners to cause a map or book of reference to be made of the lands and property required for the said works or through which the same or any part thereof shall pass, with a general description of such lands and property, and the names of the owners and occupiers thereof, which map or book of reference shall be examined and certified by the person performing the duties assigned to the Surveyor General, or his deputies, who shall deposit a copy thereof in the office of the Provincial Secretary, another copy thereof in the office of the Clerk of the Peace at Montreal, and shall deliver a third copy thereof to the said Harbour Commissioners, to which copies all persons shall have access without charge; and the said map or book of reference or a copy thereof certified by the Provincial Secretary or by the said Clerk of the Peace, shall be held and taken as a true copy and as duly proved.

30

Certified copies to be evidence.

Certain provisions of 14 15 V. c. 51, incorporated with this Act.

V. The provisions of the Railway Clauses Consolidation Act (14 and 15 Vict. cap. 51) under the headings, "Interpretation," "Lands and their Valuation," shall be considered and construed as forming part of and incorporated with this Act; and in construing the said provisions for the purposes of this Act, the said Commissioners shall be understood as intended wherever the railway company is mentioned or referred to therein, and the works hereby authorized shall be understood as intended whenever the railway itself is mentioned or referred to.

35

Commission may borrow £500,000 for carrying this Act into effect; and issue debentures therefor.

VI. It shall be lawful for the said Harbour Commissioners to borrow under the authority of this Act and for the purpose of carrying its provisions into effect, a sum or sums of money not exceeding the sum of £500,000 currency, and at such rates of interest not exceeding eight per cent. per annum and for such a number of years as may be found expedient, and to issue under the hands of three of the said Commissioners and the seal of the Corporation, debentures or bonds to be also countersigned by the Secretary of the said Commissioners for the sum or sums so to be borrowed, and to make the same payable at such time and times as may be agreed on, to the bearer thereof, either within this Province or at any place or places without this Province, and either in currency or sterling, with interest payable semi-annually, and with coupons for such interest annexed and signed by one of said
