

# Dal wins soccer

by Brian "Scoop" Hawkins

Dal Soccer Tigers travelled this weekend to Moncton and Fredericton and brought home four points which takes them another step nearer to the "nationals".

The first game was played against the University of Moncton on a pitch that was swamped with standing water. Dal, however, did not let the conditions bother them too much and in the early stages of the game they opened up the scoring when Ray Riddell passed to Kevin Mayo. He ran with the ball and placed a low shot into the bottom right hand corner of the net. This was soon followed by another goal from Dal when Ray Riddell again crossed the ball to Coleman and hit a left foot rocket into the back of the net.

These two goals did not deter Moncton, they played good solid soccer and by half time they had

retrieved two goals.

In the second half Dal once more dominated play and their third goal came from a penalty taken by Moss. The final goal of the game also came from Moss when he neatly bent a free kick into the top corner of the goal well out of the goalkeeper's reach. This 4-2 victory put Dal into the correct frame of mind for the most difficult fixture against UNB in Fredericton on the following day.

This second game started with exciting play from each side, but it was Dal who opened the scoring with a "powerhouse" header from the "odd job man" Lenny Vickery. The goal came as a result of great midfield play which has come to be the hallmark of Dave Hoolston.

In the second half Dalhousie conceded a goal from a set play and from that point on the game could have gone to either team. Consis-

tency in defence and hard work in midfield finally produced the winning goal from Vickery after a goalkeeping error near the end of the game. The final result was a 2-1

win for Dal.

The playoffs now will probably be at Dal, so your support is needed to help the Tigers on their way to the Nationals.

## Intramural action

### Ice Hockey

Intramural Ice Hockey continued its round-robin schedule Tuesday night with three games.

In the C division, T.Y.P. defeated a tardy Dentistry squad by default while Arts squeaked by Engineers 5 to 4 in an action-packed thriller. Peter McNabb lead the winners with two goals while singles went to Ken Swain, Bruce Richardson and Darrel Dontor.

The lone B division game saw engineers edge Science 4-1 on the

strength of two tallies late in the final period. Engineers' goals were scored by Louis Blondin, Ed Grieve, Derek Harris and Jim MacBurny. Chuck Piercy replied with the lone science marker.

### Flag Football

**Sunday, Oct. 24th Game Results:**  
 Engineers "B" - 6 Commerce - 36  
 Medicine "B" - 10 T.Y.P. - 0  
 Pharmacy gained a defaulted win over Science.

### Globetrotters

continued from page 16

the same incredible passing. Both teams were well coordinated but the Trotters just outshone the Chiefs so much one was left watching the comical defense rather than the well planned offense. In fact, the Trotters were so coordinated it seemed they knew exactly what the other is thinking - most of the passes were not preceded by a glance for a receiver. At 4½ minutes of play the score was 48-74 and Bobby Joe Mason (14) was taking two foul shots. Clearly, the clowns ran the show as it took two minutes for the shots to be completed while the rest of the team wreaked havoc on the willing ref and his decisions to the delight of the audiences. The 78th G.T. point was scored by going around the back of a Chief and shooting with one hand while falling - the Chief's body was between the Globetrotters body and the ball. Several attempts were made to convert basketball to a higher level of football. Time out was called, with the old fake water bucket and Halifax's 3' tiger as the main attraction. With 45 seconds left to play the score was 88-60 and Marques Haynes was back in to dazzle away the remainder with his ball control.

The first basket of the final period was "slightly" illegal. Rookie Tom Brown played a bit harder than necessary, trying to make a mark on the team but almost self-destructing in the process. Point number ninety was gained by shooting between an opponent's legs. The stars then set up the most astonishing exhibition of superlative passing I've ever seen, rocketing from man to man, totally eluding the grasping hands of the California Chiefs and best described as a mixer. This lasted 30 seconds and terminated in (with?) the ball rolling down an arm and being shot in.

With six minutes remaining, the score was 95-69, a Trotter lept high and literally spanked away the ball from his basket (goaltending). At 2:39 Geese Ausbie fouled and limps off court bet returns in spite of great pain, to take

his foul shot with the infamous trick ball. It wobbled drunkenly in flight but did not go in.

It was plain that the Trotters had the game wrapped up and so the remainder of the time was passed in equalling talent with hi-jinks. Out came an enormous boxing glove of elusive purpose, someone essayed kicking the ball in the basket (at which point all took time out to pray) and they even set up a farcical baseball game when the Chiefs vacated the floor ("He's throwing a spit ball" 'Hit it on the dry side'). The buzzer went, the game was over and the forum rose as one to give a long deafening roar of appreciation.
