For more convenient reference a type written copy is attached in which the names are re-arranged with particular reference to locality. Marginal notes indicate officers of the County Association and members of the County Executive Committee.

By way of explanation I may add that Mr.H.W.Phinney, who contested the county in the last Federal election, informs us that he will not be available for the next campaign.

We hope that the appeal will meet your approval and assure you of our confidence in electing Mr.Foster.

Very sincerely yours,

A.G. Harris
