Dear Mr. McLean:-

June 1924

Mr. McEwen has asked me to ask you to call a meeting of the Quebec Senators friendly to us for as early a date as possible next week at which Mr. McEwen and myself will be present. This will include Senators Webster, White & Blondin & possibly some others that I do not know.

The Senate is adjourning today until Tuesday I think, so that you will likely be unable to get a meeting before Wednesday next.

Yours Truly
R.B. Hanson
