The Right Honourable Arthur Meighen,
The Senate,
Ottawa, Ont.

My dear Mr. Meighen:-

I thank you for your kind letter of
April 29th just received.

The Council and I are fully cognizant
of the necessity for economy but we urge the importance
of our work.

All that we ask is that we be treated in
the same way as some of the other organizations with
similar objects in view.

Yours sincerely,

William Rensell Riddell
