Sir:-

In reply to your letter of the 10th instant I enclose herewith a statement in accordance with your request showing the over due balance of principal on certain quarter sections which you secured from the surrendered Pasqua reserve on the 17th October 1906.

You will compute the interest on the outstanding principal at 5% from the date of the sale, to the date on which the payments will be made.

The Department would appreciate payment at an early date. A blue print is forwarded under separate cover.
