

The blonde soldier asked in German if a man was here and I said yes. Then he told me to get out. I hesitated a moment and then he grasped my arm and told me to go. I put my coat on and they took me to Frau Simeon's kitchen. They looked the door from the outside and talked for a time. Then they entered the kitchen.

The blonde soldier took Frau Simeon to my house. I am not sure if the man is the blonde soldier but he is very much like him. They may have stayed for half an hour. I was sitting in Frau Simeon's kitchen with the Hartas and the dark soldier who had a pistol in his hand.

The blonde soldier came back alone and the dark soldier left the room. We could hear Frau Simeon crying. They may have been away half an hour.

Then the dark soldier came back with Frau Simeon. She was crying.
