

The *French Magnetic Oil* in the same way gives speedy relief to *Local Muscular Pains, the Growing Pains of Children, Pain in the Side, Back Ache, Cramp in the Limbs*. In any of these cases rub the *Magnetic Oil* well into the part affected, wet a piece of flannel in the Oil, and keep it applied to the part, and give one or two doses internally. *Bruises and Contusions* will speedily disappear under the application.

Those who have recently become mothers will find that by the use of the *French Magnetic Oil* upon their breasts, they will prevent the occurrence of *Lumps and Gathering in the Breasts*. If the Breasts become at all hard and painful, have them well rubbed down from the root of the breast to the nipple with the *French Magnetic Oil*, and then apply it on a fold or two of flannel, repeating it every two or three hours. It will soon be found that the pain and heat are relieved, the glands are softened, and the milk can be drawn thoroughly and without pain.

For *Chilblains and Frost-bites* the *French Magnetic Oil* will be found to be the very thing needed. It restores the *Magnetism* to the filaments of every nerve, so profusely scattered through the skin, and so promotes the activity of the circulation of the blood in the small capillary vessels, which connect the arteries and veins, and which have been deprived to a greater or lesser extent of their proper circulation of blood and nerve force by the loss of their normal caloric.

In *Sore Throat, Quinsy and Diphtheria* the *French Magnetic Oil* will be found to be of great service. By its powerful influence on the nerves of the parts affected, it exerts a healing and emollient effect on the glands which are gorged with blood—what is called inflamed. It should be rubbed into the outside of the throat thoroughly, then applied on some folds of linen—used as a gargle, one or two teaspoonfuls diffused in a half teacupful of milk or barley water, frequently. Where the pain is at all severe a teaspoonful in molasses and water may be taken with advantage every three or four hours.

The *French Magnetic Oil* will be found to exercise a very healing and soothing effect on those cases of *Enlarged Veins* in the lower extremities, which are so frequent and so painful. They should be bathed well two or three times daily from the foot up towards the body, and then supported by a well-fitted bandage, or an elastic stocking. The frequent use of the *Magnetic Oil* relieves the inflammation which is so apt to result in those terrible *Chronic Ulcers*, which are so hard to cure, and so weakening.

In *Milk Leg* no better application can be found than the *French Magnetic Oil*. Bathe the sore limb well, but softly, with it, and then encase it in a sheet of batting, and keep it lying as high as the body. Repeat the application every six hours or thereabout, till the pain is relieved. After attending to the state of the bowels, if there is much pain, give the *French Magnetic Oil* internally in teaspoonful doses, mixed with molasses and water, every three

or four hours, or as often as may be needed to keep the pain easy.

In fact as a *safe, cheap and effectual Household Remedy*, the *FRENCH MAGNETIC OIL* cannot be surpassed. It is applicable to all sorts of *Pains, cures Bruises and Strains, Rheumatism, Neuralgia, Cramps internal and external, Toothache, Earache*, and a host of other diseases to which we are all frequently liable.

The *FRENCH MAGNETIC OIL* is also an excellent remedy in very many diseases of Cattle and Horses. For *Bruises and Strains, Garget, Colic and Belly-ache* it is very effectual. The dose for a Horse would be a full bottle, and may be repeated every hour or two until relieved.

We would ask of what we have always found to be an appreciative public, a fair trial of the *FRENCH MAGNETIC OIL*. We know by our own experience that it is a boon to suffering humanity. We do not puff it, but tell the plain, unvarnished tale of its powerful efficacy, in the removal of pain. And day by day, science makes more clear to us the great influence exercised by the subtle but unseen force of *Magnetism*. We shall no doubt attain to a surer command over many of the diseases which afflict our frail bodies. Then it will be seen how large a step in advance the *FRENCH MAGNETIC OIL* is over any other preparation of its time.

DEAR SIR,—In the fall of 1875 my wife was taken sick with Asthma, and for three years she was an invalid, unable to do any housework, and many, many times so bad that we despaired of her recovering, or even surviving for many hours. We tried all the known remedies for Asthma, but without any avail. We consulted several good doctors, among them an eminent physician from one of the public hospitals in New York, who was here last summer for a while, who also prescribed for her, but without any permanently beneficial effect. In January last, when she was having one of her worst spells, a friend called to see us, and advised us to try British Oil; a few drops taken with sugar, it was said, would alleviate the suffering. When, providentially, I went to inquire for British Oil, your Agent here told me he had none, but that he had what was much better—*FRENCH MAGNETIC OIL*. I got a bottle. On taking some she found immediate relief, and before she finished using the whole of it, her health was completely restored. She took a heavy cold once since, and shewed what we thought were slight symptoms of Asthma returning. We got another bottle, a few doses of which completely warded it off. In the interests of other sufferers I have much pleasure in forwarding you this certificate of the efficacy of your *FRENCH MAGNETIC OIL*, and hope that you will give it all the publicity possible.

Yours faithfully,

JUSTINIAN SAVOY, J.P.,
County Councillor.
