This company owns some 2,000 acres of land in the Township of Dudswell, in the Eastern Townships of the Province of Quebec, and carries on the business of producers of lime, lumber, etc. The company's quarries are situated in the Township of Dudswell, at Lime Ridge on the line of the Maine Central Railway, and yield an annual production of 42,000 tons of lime. The limestone is obtained from large ledges of a dark or greyish rock, in places crystalline, which, in the upper quarry presents a nearly vertical face of 90 ft. This is situated in close proximity to the kilns, of which there are ten in all, six in the upper or older works, and four in the lower and newer
