

It Pays to Breed the Good Ones

It has paid me and it will pay you to breed good ones better than the other kind. I can now supply you with the means of breeding something gilt edged and HIGH PRICED in pure bred Clydesdales. From my recent importation of nearly fifty head of Clydesdale Fillies, you have a wide selection. Some are prize winners in Scotland. Some others can be bought for less money. I am selling all at a very low price for the goods.

old, and was champion at the Glasgow summer show same year. Got by the renowned Prince Alexander (1899), first winner of the Cawdor Challenge Cup, and his dam Mr. Lockhart's famous mare Pandora, by Darnley, this is a horse by himself, take him any way you like. He has had the Dumfries Society's premium, as well as that of Glasgow. Fashion Plate (10746) is another of Mr. Colquhoun's selections. He, too, was got by Baron's Pride, and was bred by the late Mr. D. L. Picken, Kirkcudbright. He travelled several seasons in Kintyre, and left good stock there, as well as in other districts. Mr. Colquhoun has in this shipment a mare by him. She was first in a class of 21 at the Buchley foal show, and this year she was third at the West Lothian Show. A third stallion is a remarkably well-bred horse, his sire being the H. and A. S. champion King of the Roses (9927), sire of the champion gelding at the H. and A. S. this year, and Mr. Calder's noted prize mare Mure, Perfection (11843), a nice thick, well-coupled horse, was first at the Royal Northern Show in

1903, and was the North Northumberland premium horse in 1906. A very good horse is Netherlea (12260). He was first at Glasgow and third at the H. and A. S. at Dumfries in 1903, and this year and last he was the Deeside premium horse. His own sister was champion at the Royal Northern in 1905. A strong, powerful horse is Winsome Lad (12407), got by the H. and A. S. first prize horse Pride of Blaicon, and this year and last premium horse for the Vale of Alford District Society. Besides one or two others, Mr. Colquhoun has the handsome well-bred horse Montrave Mermaid (11437), bred by Sir John Gilmour, Bart., and got by the celebrat-

ed Macgregor (1487), out of the noted prize mare Montrave Mermaid, one of the best mares in the Montrave stud.

Mr. Aitchison has two stallions and four fillies. One of his stallions is an extra well-bred two-year-old by the unbeaten champion horse Everlasting, which three years in succession was first at the H. and A. S. Shows. The dam of this colt is by the noted Darnley horse Goldenberry (2828). Mr. Aitchison's other animals are fitted to secure a good hold of the Canadian trade. He has a yearling colt by Ascot, and the three-year-old mare by Elator, which was first at Rosethay as a two-year-old, and this year she
