## I Can Make You Strong

### AND YOU CAN PAY WHEN CURED.

Have you lost the fire and strength of youth? Have you "come and go" pains in your back and shoulders? Are you growing old too soon? If you have those symptoms or any other sign of breaking down of your nerves and vitality you will find new life in electricity as applied while you sleep.

## Dr. McLaughlin's Electric Belt

is for you—it is the best way to use electricity. It pours a gentle stream of life into the weakened parts continually for hours every night. It refreshes the nerves, expands the vital powers, enriches the circulation, and makes you feel bright, active and vigorous in one night's use. You get stronger each day, and in a few weeks you are stronger and younger in the fire of youth. It cures to stay cured Nervous Debility, Weakness, Rheumatism, Lumbago, Kidney and Stomach Trouble, Indigestion and Constipation. It is grand, this method of mine. **Business Men, Professional Men, Ministers, Athletes, Men of National Renown** and men in every walk of life who have used it are praising it.

### The Following were Cured and are Now Happy :

Dr. McLaughlin: Dear Sir,—Your Belt has done wonders for me. I very seldom get the pains now, and wish I had tried it before, as I can do my work twice as well. I have told several about what the Belt has done. I cannot thank you enough for what you have done for me, and I am sure I would have given twice as much if I only thought it would have done so much good. I have been treated for years by all sorts of doctors, but I have received more benefit from your Belt than all of them, so I tell you I am perfectly satisfied with my investment and will recommend it to all I can. Again thanking you for your kindness and all you have done for me, I remain,  
Yours truly,  
W. ATWELL, Bolton, Ont.

MR. RICHARD THOMPSON, Ullington, Ont., says: "Dear Sir,—I am pleased to tell you that after wearing your Belt for two months and a half it has cured me of Chronic Rheumatism in the ankles of five years' standing. Rest assured I will not fail to recommend it to any person suffering as I did. It has been a godsend to me."

MR. THOS. JOHNSTON, Box No. 233, Deseronto, Ont., says: "It is some five or six years since I got your Belt. I am well satisfied with it. It cured me, and I have not been bothered since, and I have not used it since then."

I don't want your money without giving you value for it. I know it will cure in any case that I undertake. If I can't cure, I'll tell you frankly. You have nothing to lose, for if you wish you can use the Belt entirely at my risk, and if it doesn't cure you it will not cost you one cent. The only condition I impose is that you give me security for the Belt while you are using it, as evidence of good faith on your part.

Give me a man (or woman, for that matter) who has been sick and suffering for years and taken medicine until the system is all run down and debilitated, the stomach unable to digest the food, and the nerves shattered. My Electric Belt will give new life to every organ, drive out disease and restore health.

I have the grandest invention of the age for weak men; the surest and easiest cure for all nervous and chronic diseases. Its wonderful power is directed to the seat of the nervous system, through which its vitalized strength penetrates into all parts of the body, carrying new life to every function which has been weakened by excess or dissipation, restoring energy to the brain and power to the vital organs. No weak man, no delicate or sickly woman will ever regret a fair trial of my Belt.

### THE SPICE OF LIFE.

Cyrus Townsend Brady, the eminent author and clergyman, told at a dinner in Toledo a story about charity. "A millionaire," said Dr. Brady, "lay dying. He had lived a life of which, as he now looked back on it, he felt none too proud. To the minister at his bedside he muttered weakly: 'If I leave \$100,000 or so to the church will my salvation be assured?' The minister answered cautiously: 'I wouldn't like to be positive, but it's well worth trying.'"

"Horace! there's a burglar in the house!" "There is, hey?" answered the husband, now thoroughly awake. "I'll see about him." With cunning stealth he got out of bed and tiptoed out of the room. For ten minutes no sound broke the awful stillness; then the house shook with a crash. There was a century of silence. Then a chair fell, the front door slammed, and a heavy bundle thumped down the front stairs and into the street. The terrified wife fainted, to be brought back to consciousness by the voice of her husband. "It's all right, dear; I threw him out," he chuckled, as he turned on the light. "But the scoundrel had only four dollars and thirty cents on his clothes."

"The self-made man," remarked the observer of men and things, "would give more general satisfaction, doubtless, if he tried himself on a time or two before he was done."

A little boy wanted to give his mother a birthday present, and he did not know what to give her, so at last he decided to give her a Bible. After he had bought it he did not know what to put on the front page, so after looking through some of the books in the library he decided to put the following on: "To dear mother, with the author's compliments."

"Is Mr. Bromley in?" asked the caller. "He is not, sorr," Pat answered, politely. "Shure, he won't be in till 1 o'clock, or maybe after."

"Where's he gone?"

"He went to ride in his interim, sorr."

"His what?"

"His interim. 'Tis a long name for buggy, I'm thinkin'. Half an hour ago Mishter Bromley says to me 'Pat' says he, 'I'm ixpectin' Mishter Bobbs here some time this afternoon, but I guess he won't be after gettin' here for awhile, so I'll go down to see him in interim.' An' with that he rode off in his buggy."
