

BECAME SO WEAK AT TIMES COULD NOT WORK.

Mrs. George Hiles, Grimsby, Ont., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I suffered greatly with my nerves and became so nervous and weak at times I could not work. A friend of mine advised me to try a box of your pills, which I did, and soon found great relief. They are the best medicine I have ever taken for the heart and nerves. I recommend them to any one suffering from heart or nerve trouble.

Milburn's Heart and Nerve Pills make the weak heart strong and the shaky nerves firm by imparting a strengthening and restorative influence to every organ and tissue of the body and curing palpitation of the heart, dizziness, sleeplessness, anaemia, twitching of the muscles, general debility, lack of vitality, etc.

Price 50 cents per box, or 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

GOSSIP.

Faces, Baker & Son, Solina, Durham Co., Ont., breeder of Shorthorns, Shropshires and ponies, whose advertisement runs in this paper, writes: "Stock never came into winter quarters in better condition. I have recently sold a beautiful young Shorthorn cow and heifer calf to Ernest Webber, Brooklin; a bull calf to R. L. Holdsworth & Son, Port Hope, and a heifer calf to John Miller, Ashburn, both model Shorthorns. I have sold the yearling Clydesdale advertised to Graham Bros., Claremont. Have sold several Shropshire ram lambs, and a beautiful shearing Shropshire ram, to C. T. J. Cole, Tyrone. We have the best flock of Shropshire lambs we ever bred; several of both sexes for sale. Also a few Shorthorn heifers, and a bull calf five months old, out of a three-year-old show heifer that has never been beaten, and got by a Missie bull. We also have a pony rising four, out of an imported Welsh mare, and got by Netherall, an imported Hackney stallion, and a brown pony, rising three, a full sister to above. They are a beautiful pair, and will make show ponies of a high order."

G. W. CLEMONS & SON'S HOLSTEINS

The high character of the St. George herd of Holsteins, owned by G. W. Clemons & Son, of St. George, Ont., has been proven many times by their winnings in the strongest kind of company at the Toronto National and London Exhibitions, as well as in the dairy test at Guelph, where representatives of the herd have repeatedly won the championship over all breeds for highest milk and butter-fat production. Practically all of milking age in the herd are either in the official Record of Merit or Record of Performance, and comprise such splendid types of the breed as that great cow, Evergreen, winner of championship at Guelph Winter Show in 1907, second place in 1908, and third place in 1909. For official seven-day record is 22 1/2 lbs., made four months after freshening, and yearly milk record 18,000 lbs. in ten months. An exceptionally choice cow is Euse De Kol Teake, who, at two years, gave 9,366.15 lbs. milk, and 306 1/2 lbs. butter-fat. Another, Mary Anderson, at two years of age, gave 9,385 1/2 lbs. milk, and 358.47 lbs. butter-fat, with a test of 3.82 per cent. Beauty De Kol, a full sister to the Canadian-bred champion, Francy 3rd, has a seven-day butter record at two years of age of 14 1/2 lbs. Centre View Gem 2nd has a two-year-old seven-day record of 9.89 lbs. butter, etc. These are representative of the great producing qualities of the entire herd. The main stock bull, and sire of all the younger ones up to two years of age, is Prince Posch Pieterje C., a son of Prince Posch Calamity, whose dam, Calamity Jane, was four times winner of the dairy test at Guelph, and has an official seven-day record of 25 lbs. The dam of Prince Posch Pieterje was the renowned cow, Bontse Q. Pieterje De Kol, whose yearly official record is 20,778 lbs. milk, and 912 lbs. butter as a three-year-old. Assistant in service is Choicest Canary, a son of the great bull, Brightest Canary, whose dam's record for seven days is 20 1/2 lbs., her dam's 25,161 lbs., and her dam's 30,662 lbs., and his own dam, Nantet Topsy Clothilde, 30,25 lbs. The butter-fat test of this bull's dam is 4.34 per cent., and of his sire's dam 4.5 per cent., thus making him one of the highest bred bulls alive for butter fat record. All the heifers are being bred to this young bull. For sale, are a number of cows and heifers with official records, and one young bull. In Standard-bred horses, the firm is showing some choice 1-bred ones. Mandi Shovel, a brown three-year-old, sired by Klakalah, whose three-year-old record is 2,053; dam Betsy Vania, record 2,000, sired by Vaniam, 2,200. She is in foal to record. Guston, 2,129, is a three-year-old, who has ten two-year-olds in the list, and ten years of age. Clare M., a bay, is a year-old, sired by the champion Morgan, and out of Clara Bell, total 2,300, and a three-year-old, she by Liberty Chimes, 2,225. This filly, just broken, has gone quarters in 45 seconds. Another equally good is a yearling full sister. Several of a line of Standard-bred breeding sires, also dairy at work on the farm.
