Professor—"We will now read a chapter in concord."
Pupil (whispering to seat-mate)—"Tell me quick, is 'Concord' in the Old or New Testament?"

"Ah," said the casual caller, seeing the poet at work in the adjoining room, "the fire of genius is burning, eh?"
"No," said the poet's practical wife, "it is his cigarette that smells so."

Suffered From Her Heart, Could Not Stand Hard Work

Mrs. Harry Smith, 31 Eagle Ave., Brantford, Ont., writes—"I have suffered with my heart a great deal, and could not stand any hard work. I was doctoring with the Doctor and he told me I had to stop doing anything, but, however, a friend told me about your Milburn's Heart and Nerve Pills, so I got a box and tried them. I had to take several boxes before I felt any benefit, but after doing so I found they were beginning to help me so I continued their use and am now in a position to do all my own work, which I felt I would have to give up."

Milburn's Heart and Nerve Pills are a specific for all weak run down women, whether troubled with their heart or nerves, and if you will only give them a trial we can assure you that they will have the desired effect.

Price 50c. per box or 3 boxes for \$1.25, for sale at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

GOSSIP.

CANADA'S GREATEST SWINE-BREEDING FARM.

Near Frelighsburg, in the electoral district of Missisquoi, Quebec, is the renowned swine-breeding farm of John Harvey, whose swine-breeding operations are on a more extensive scale than that of any other breeder in Canada. Unlike most other breeders in the country, he makes no specialty of any particular breed, but has a large and well-selected herd of Yorkshires, Tamworths, Berkshires, Chester Whites, Poland Chinas, Hampshire and Duroc-Jerseys. That he is making a success of the several breeds is proven by the remarkable success at the leading shows of Quebec and Ontario in competition with specialists of individual breeds, which is the result of his careful selection of breeding stock, buying only the best from the most noted herds, and then giving them proper care and proper feed. Of these several breeds Mr. Harvey has always on hand a big selection of both sexes and any age, and can supply orders on short notice. He ships pigs all over the country, and the universal satisfaction expressed shows that he does what he agrees to.

KELSO S. F. AYRSHIRES.

D. A. Macfarlane, of Kelso, Que., a short distance from Huntingdon, is one of the leading breeders of Ayrshire cattle in the far-famed Ayrshire County of Chateaufort, noted all over America as the home of the world's best in Ayrshires. Mr. Macfarlane has been breeding Ayrshires for over twenty-five years. Many high-class show cows and many high-record cows have been bred in this noted herd, and the herd to-day of over forty head was never stronger in heavy-milking cows, imported and Canadian-bred. They number among them such great cows as Imp. Stately of Cross-house, 60 lbs. a day; Imp. Polly of Burnbrae, 50 lbs.; Stately of Elm Shade (imp.), 50 lb.; Stately of Kelso, 55 lbs.; Cherry of Kelso, 60 lbs.; Pearl of Kelso, 50 lbs.; and many others equally as good, at the head of which is the high-class quality bull, Imp. Lessnessock Scottish Thistle. From such breeding as this, for sale, are five exceptionally choice young bulls, in age from calves up to 11 months; also females of all ages. Write Mr. Macfarlane your wants to Kelso P. O., Que.

MAPLEHURST TAMWORTHS AND POULTRY.

For many years the great Maplehurst herd of Tamworth swine owned by D. Douglas & Sons, of Mitchell, Ont., have proven their superiority in the leading show-rings, from the Far West, to Ottawa in the East, winning practically all individual prizes worth winning, as well as the herd prizes and championships. To-day the herd is recognized as the best in Canada, and second to none on the continent. Imported and Canadian-bred, the breeding animals range in weight from 500 to 1,000 lbs., of great depth of side and length of body, they conform strictly to the type set for the ideal of bacon hogs. So nearly perfect are they in type, that at the late show in Ottawa, in a very large and strong class for export bacon hogs, they were awarded first prize. The Messrs. Douglas have always on hand both sexes of all ages for sale, and make a specialty of show stock, bred from winners for generations back. In poultry, their specialties are Pekin ducks, Toulouse geese, and S.-C. White Leghorns. Of each line they have for sale a number of this year's hatchings of the first quality, and true to type and color.

EXPLAINED.

Visitor—"Great Scott! Why are you throwing bottles at that poor man? Are you trying to kill him?"

Baseball Fan—"No, not the slightest intention of it. The league is launching a new umpire, and we are just christening him!"

Old Lady (to new curate)—"Ah, sir, we do enjoy your sermons. They are so instructive. We never knew what sin was until you came to the parish."
