

TUBULARS WRING GOLD FROM MILK

Tubular butter brings 25 to 35 cents. Cream is worth only one cent for stock food. Yet many farmers have no separator—only half skim their milk by setting—lose 21 cents of cream fed to stock—and wonder why dairying don't pay. Tubulars stop this loss. Tubulars get the last drop of cream out of the milk—make big profits. Tubulars are the only modern separators. Notice the low can and enclosed gears. BE STRONG AND VIGOROUS.

BE A MAN AMONG MEN.

Nature intended you to be a strong man. You have the physique, the constitution, and yet you do not feel the vim, the sand, the ambition one would expect in a man of your age. What is it? Why, a lack of vitality—the foundation of vitality. You have lost it, no matter how. Get it back; feel young, look young, act young. Life is beautiful when you have health. I can help you.

DR. McLAUGHLIN'S ELECTRIC BELT Has brought strength, ambition and happiness to ten thousand men the past year.

Men, why will you be weak? Why do you not listen to the echo of thousands of grateful voices raised in thanks to Dr. McLaughlin's Electric Belt? Why do you go on from day to day realizing that you are losing your nerve force, your strength, when you see a cure within your grasp? Reach for it, take it to your heart and feel the life blood flowing, jumping, dancing through your veins; feel the exhilarating spark of renewed vigor, the bright flash come to your eye, and the firm grip to your hand—the grip which grasps your fellow-man and tells him that you have found your Mecca—you have regained your strength.

"I have found a complete cure for sciatica, rheumatism and back trouble from the use of your Belt after three and a half years' suffering and doctoring. I am also restored completely from that tired feeling."—JOSEPH C. ARMSTRONG, 173 Rectory street, London, Ont. "Your Belt cured my weak back, and I will recommend it to all suffering as I did."—FRED. COX, 450 Logan avenue, Winnipeg, Man.

I don't ask you to take any chances. I am willing to do that, because I know my belt will cure any case I undertake if given a fair chance. All I ask is that you secure me while you are using it. Remember.

IT DOESN'T COST YOU A CENT TILL CURED.

Messrs. A. Edward Meyer, Guelph, and Geo. Amos & Son, of McEtt, Ont., claim December 14th next as date for a joint sale of Shorthorns, to be held at Guelph. Mr. Meyer writes: "I intend rebuilding my barn and stables next spring, and for this reason will offer all of my young things and a few of my breeding females. Such families as the Cruickshank Villages, Nonpareils, Brawith Buds, Campbell Bessies, Clarets, Urys, Minas and others will be represented. Geo. Amos & Son will contribute a number of first-class Scotch-bred individuals from their select herd to strengthen the offering. This firm enjoys the reputation of always bringing out something good, in good fix, and I consider myself particularly fortunate in having the support of their quota. As will be noticed, our date falls upon Thursday of the Fat-stock Show week, thus enabling parties interested to take in both." More particular reference to the offering will appear in these columns later on.

At the auction sale of pigs, conducted by Alfred Mansell & Co., at Park Royal, the week of the Royal Show, the demand was very uneven, some making full value, whilst others went cheaply. The first lot sold were two pigs, the property of Mr. T. S. Jay. These made respectively 5 gs. and 4 gs., and were purchased by Mr. Bishop. The remainder of the white pigs were passed.

In the Berkshire section, Mr. Winterton gave 10 gs. for Mr. R. P. Cooper's boar. The reserve number boar in this class, Mr. J. A. Fricker's, went to the Hon. C. B. Portman at 25 gs., and there was a good demand for Mr. Fricker's first-prize pen of young boars, the first selection going to Mr. Noel at 30 gs., the top price realized in the pig sale. Mr. M. Cottard gave 12 gs. for another, and the third one made 11 gs. to Mr. Goodall. The highest price in Mr. G. Talfourd Inman's second-prize pen was 10 gs., given by Sir T. Gooch. Mr. Fricker's first-prize pen of sow pigs were in request; two were sold, one at 10 gs. to Mr. A. D. Ackland, and the other at 7 gs. to Mr. R. Miller, Canada.

The demand for Tamworths was very uneven. Mr. R. Ibbotson's third-prize boar made 10 gs., his purchaser being Mr. Muchison, of Rugby, whilst two of the first-prize pen of young boars from the same herd were sold, Mr. C. Bathurst giving 10 gs. for the first one, and the Danish Bacon Agency 8 gs. for the other. The champion sow of this breed from Mr. E. J. Morant went to Mr. Noel at 16 gs., and Mr. D. W. Phillips' highly-commended sow went to Mr. C. Bathurst at 20 gs.

DOMINION EXHIBITION PRIZE LIST.

The prize list of the Dominion Exhibition, to be held at New Westminster, British Columbia, Sept. 27th to Oct. 7th, has been issued, and is an exceedingly creditable production. The prizes offered in all classes of live stock are liberal, and the classification generous.

In most of the cattle classes there are from 15 to 25 sections, including senior and junior yearlings and calves, aged and young herds, senior and junior championships, and also grand championships, and four to five liberal cash prizes in each section. In the Shorthorn class, to which the Shorthorn Association contribute \$200, the prizes in the sections for older animals range from \$25 for first to \$5 for fifth, and the juniors from \$15 down. Herd prizes in most classes range from \$40 to \$10. The prizes for horses are proportionately high. For sheep, three prizes in each section are given: the first, \$14; second, \$9; third, \$5. For pigs, the first prizes in the older sections run from \$15 to \$4 in the classes where most competition is probable, and for pens of three bacon hogs, the prizes are \$20 and \$10 in two sections, one for pure-bred and one for grades or crosses. Poultry and farm products are liberally classified and provided for. Entries close positively Sept. 13th to enable the management to have the catalogue printed. For prize list and entry forms apply to W. H. Keary, Manager, New Westminster, B. C. Cheap excursion rates are arranged by the railways from all points east and west. A rare opportunity to see the prairie and Pacific provinces and the glorious "Rockies" at very moderate expense.
