

MACHINE OIL

Our American Amber Machine Oil for agricultural outdoor machines, and for separators, is without doubt the best-wearing, heavy-bodied machine oil ever imported into Canada. It is the same thickness in summer as in winter; it is heavy bodied, amber in color, and will wear longer than any other oil on the market. We recommend it without hesitation as being first-class, and fully equal to any, and better than many of the higher-priced oils on the market. We have it put up as follows:—

1st. In barrels containing 45 gallons; price, 28c. per gallon (no charge for the barrel), making a total of \$12.60.

2nd. In barrels containing 25 gallons; price, 30c. per gallon (no charge for the barrel), making a total of \$7.50.

3rd. In tin cans, with wooden jackets, capacity, 5 gallons; oil at 30c. per gallon, price of can, 50c., making a total of \$2.

4th. In tin cans, with wooden jackets, capacity, 2 gallons; oil at 35c. per gallon, price of can, 30c., making a total of \$1.

These are all imperial (or large) gallons. These prices are F. O. B. Hamilton; terms, cash with the order. Send 10c. for sample of this Amber Oil.

Our Stanley Sisa Binder Twine, at 10c. per lb., threatens to overtake everything else on the market this season. Send 2c. for sample, or, better still, send 50c. for sample ball, and name your nearest express office.

For only \$1.50 we sell the best Fruit Tree Sprayer for ordinary fruit gardens that is made. Write for catalogue to
