JOB PRINTING

It seems hard to make some people understand that we do really first class PRINTING. But we do all the same.

We have been making a strong point of Visiting Cards lately. We print them nicely, and we use the best of cards. The price is:—Ladies' cards 40c. a pkg. Gentlemens' cards, 35c. a pkg.

PLEASE REMEMBER—We do all kinds of Job Printing. We printed the City Report this year—acknowledged to be the best report ever printed in Charlottetown,—the Board of Trade report and are printing the P. E. Island Magazine.
